

Class 12 Home Science PYQ

HE2: Resource Management - Career Avenues

Chapter-wise board-style practice for the 2026-27 syllabus. This pack is prepared from NCERT themes because the local chapterwise PYQ sheet has no Class 12 Home Science worksheet.

Source note: This is not a reproduced board-paper extract. It is a transparent NCERT-theme-based practice set covering planning, budgeting, time management, consumer services, event support, entrepreneurship and career planning.

Section	Marks	Count
Very Short Answer	1 mark	8
Short Answer	2 marks	6
Three-Mark Questions	3 marks	6
Long Answer	5 marks	4
Case-Based Practice	4 marks	3

Very Short Answer

1 mark each

- 1 Define resource management.
- 2 What is meant by a career avenue?
- 3 Name one career linked with resource management.
- 4 What is time management?
- 5 State one skill required by an event manager.
- 6 What is entrepreneurship?
- 7 Name one service sector where Home Science students can work.
- 8 Why is communication important in resource management careers?

Short Answer

2 marks each

- 1 Mention two career opportunities related to resource management.
- 2 Write two skills needed for effective workplace management.
- 3 How does planning help in managing human and non-human resources?
- 4 Why is consumer awareness useful in career-related services?
- 5 State two qualities required for self-employment in Home Science.
- 6 How can technology support resource management careers?

Three-Mark Questions

3 marks each

- 1 Explain three roles performed by a resource manager in an organisation.
- 2 Describe three career options available in event management and hospitality support.
- 3 How do budgeting, scheduling and supervision improve service delivery?
- 4 Explain the importance of decision-making, leadership and teamwork in career growth.
- 5 Write three points to show how Home Science knowledge supports entrepreneurship.
- 6 Why should career planning include aptitude, training and market demand?

Long Answer

5 marks each

- 1 Discuss the scope of resource management as a career field for Class 12 Home Science students.
- 2 Explain how planning, organising, implementing and evaluating are used in professional resource management.

- 3 Describe career avenues in event management, consumer services, hospitality, interiors and institutional management.
- 4 Analyse the personal qualities and professional skills required for successful self-employment in Home Science.

Case-Based Practice

4 marks each

- 1 A student wants to start a small event-planning service after training. Suggest four resource-management skills she should develop.
- 2 A community centre needs help with budgeting, scheduling and supervision for a health camp. Explain four duties of a resource manager.
- 3 A family-run service business is facing poor time use and client complaints. Suggest four management steps to improve its work.

Quick Revision Grid

Topic	Must revise	Common error to avoid
Planning	goal setting, scheduling, budgeting and evaluation	eluding careers without management steps
Resources	human, time, money, space, material and technology resources	forgetting human resources
Career avenues	event support, hospitality, interiors, consumer services and institutions	limiting oneself to job institutions
Entrepreneurship	risk, initiative, market need, service quality and marketing skills	confusing marketing skills with self-employment
Professional skills	communication, leadership, teamwork, responsibility and organisational skills	not keeping responsibility and organisational skills

Answer Writing Map

- Start with the career or management term asked in the question.
- Add the resources handled: time, money, people, materials, space or technology.
- For long answers, organise points under planning, organising, implementing and evaluating.
- Close with service quality, client satisfaction, employability or self-employment scope.
