1. Read the passage given below carefully and choose the correct options to answer the questions :

The River Ganga is one of the most important rivers of India. It begins in the Himalayas at a place called Gangotri and flows through many states before reaching the Bay of Bengal. The Ganga provides water for drinking, farming, and industries. Many cities like Varanasi, Patna, and Kolkata are located on its banks. The river is also holy for Hindus, who believe it is a symbol of purity. Every year, thousands of pilgrims visit places along the Ganga to take a holy dip. However, pollution of the river has become a serious problem. The government has started programs like "Namami Gange" to clean and protect the river.

Where does the river Ganga begin ?

(a) Patna (b) Bay of Bengal (c) Gangotri (d) Kolkata
