Message from the Head of Institution

Biju Vithayathil
Director

Amity Kochi has been training MBA graduates for the last 17 years and our graduates today occupy good positions in some of the finest companies in India, Canada and the Middle East. Many of them pursue their higher studies in Canada and it is heartening to note that all of them have high regards for the inputs they received from Amity Kochi.

What do we do here? We draw the best of faculty from diverse businesses, most of them graduates from premiere institutions in India, thereby providing opportunities to our graduates to rub shoulders with some of the best individuals in the industry. When I write about Amity Kochi, I ought to mention about the excellent placement responses received from India's finest companies. We have almost all the major new-generation banks coming in to our campus; we also have lot of recruiters from the financial industry including mutual funds, asset management companies, securities companies etc. FMCG and logistics are two sectors where we have focused primarily. We do have companies like ITC, Parle, Coca Cola, Amul showing interest in recruiting our students. The logistics companies in India like Rivigo, DTDC etc. are regular recruiters from our campus. Coca Cola has been recruiting our students since 2011.

We have received excellent feedback from companies who recruited our graduates. Students turn out to be enterprising in their jobs and they bring very good results for the companies who have hired them. Small percentage of our students have also ventured into entrepreneurship and Amity Kochi's diverse faculty are quite competent to advise them on how to set-up and build their businesses.

However, I must reiterate what all our students say in unison - the inputs they received from the faculty, the advice

they got from the team of mentors have helped them to achieve their goals. At Amity Kochi, we continue to strive to excel. Our pedagogy is revised, case studies are updated and our faculties work tirelessly in synchronizing the subject of the classes with the businesses. Overall, if you wish to have two years of great learning experience, mixed with industry practice, then you are more than welcome to Amity Kochi.

Student **Success Stories**

As I wrap up my journey at Amity Kochi, I can't help but feel emotional, proud, and incredibly grateful. What started as just another academic chapter turned into something truly transformative. Today, as I reflect, I am proud that I chose to push through, to stay, to grow. Because everything I am walking away with now — the strength, the lessons, the memories — was built in those very moments.

Gayathri P Mallya,
MBA Batch 2023-25

I did my BBA and MBA at Amity Kochi and those 5 years were some of the best times of my life. Not only were the classes enriching, but the skills and knowledge you get to pick up from volunteering, organizing, and participating in a range of events and activities made this experience a rewarding one. I will always cherish the memories and support I've received from my friends, faculty, and the supporting staff in Amity Kochi.

Amity has played a big role in changing me as a person. I started off as an introvert but slowly became more confident and open. Taking part in fests, conferences, and volunteer programs gave me good exposure. Working as the Sub-Editor of the Amity Newsletter also helped me discover my creative side. Overall, Amity gave me the confidence and knowledge to know myself better.
