

AP EdCET Exam Pattern & Detailed Syllabus

1. AP EdCET Exam Pattern

The Andhra Pradesh Education Common Entrance Test (AP EdCET) is a state-level computer-based test conducted for admission into B.Ed. regular courses.

Part	Subject Section	Questions	Marks
Part A	General English	25	25
Part B	General Knowledge (15 Qs) & Teaching Aptitude (10 Qs)	25	25
Part C	Methodology (Candidate's chosen subject specialization: Mathematics, Physical Sciences, Biological Sciences, Social Studies, or English)	100	100
Total	Three Parts	150 Questions	150 Marks

- **Exam Duration:** 2 Hours (120 minutes)
- **Type of Questions:** Objective Type (Multiple Choice Questions)
- **Marking Scheme:** +1 Mark for every correct answer. There is **no negative marking**.
- **Medium of Test:** English and Telugu (except for English methodology). Candidates opting for Urdu receive an Urdu paper.

2. Detailed Syllabus

Part A: General English

- Reading Comprehension
- Correction of Sentences (Articles, Prepositions, Tenses, Spelling)
- Vocabulary, Synonyms, and Antonyms
- Transformation of Sentences (Simple, Compound, Complex, Active/Passive Voice, Direct/Indirect Speech)

Part B: General Knowledge & Teaching Aptitude

- **General Knowledge:** Current events, everyday scientific observations, history, culture, geography, ecology, economics, and general policy pertaining to India and neighbouring countries.

- **Teaching Aptitude:** Communication abilities, capability to manage and deal with children, identifying individual learning differences, analytical thinking, and overall intelligence traits crucial for becoming an educator.

Part C: Subject Methodology (Graduation Level)

Candidates must choose one of the following specializations depending on their undergraduate background:

- **Mathematics:** Algebra, Geometry, Trigonometry, Calculus, Statistics, and Mathematical Reasoning.
- **Physical Sciences:** Physics (Electrostatics, Magnetostatics, Modern Physics, Mechanics, etc.) and Chemistry (Inorganic, Organic, and Physical Chemistry topics).
- **Biological Sciences:** Botany and Zoology concepts including Cell Biology, Genetics, Ecology, and Human Physiology.
- **Social Studies:** Comprehensive graduation-level modules covering History, Geography, Civics, and Economics from Indian and global perspectives.
- **English:** Extended curriculum covering language functions, elements of phonetics, grammar, writing/study/reference skills, and broad modules of English Literature (600-1500 history, genres, and literary terms).
