

CBSE Class 10, 2026 Introduction to Tourism Question Paper with Solutions

Time Allowed :3 Hours

Maximum Marks :80

Total questions :38

General Instructions

Read the following instructions very carefully and strictly follow them:

1. The paper is divided into Section A and Section B.
2. Section A includes objective-type questions.
3. All questions in Section A are compulsory.
4. Section B includes short answer, and long answer type questions.
5. Answers must be written legibly within the word limit.
6. Use of unfair means or electronic devices is prohibited.
7. Follow the correct format and instructions for each section.

Section - A

1. Identify the Economic Impact of Tourism from below given points:

- (A) Employment Generation
- (B) Cultural Awareness
- (C) Tree Plantation
- (D) Community Awareness

Correct Answer: (A) Employment Generation

Solution:

Step 1: Understanding the economic impact of tourism.

Tourism has a significant economic impact, mainly through the creation of employment opportunities, contribution to local businesses, and fostering of cultural exchange.

Step 2: Analysis of the options.

- **(A) Employment Generation:** Correct. Tourism creates jobs in a variety of sectors such as hospitality, transportation, entertainment, and services.
- **(B) Cultural Awareness:** Incorrect. While tourism promotes cultural awareness, it is not considered an economic impact.
- **(C) Tree Plantation:** Incorrect. Tree plantation is related to environmental initiatives, not directly to the economic impact of tourism.
- **(D) Community Awareness:** Incorrect. While tourism can enhance community awareness, it is not a direct economic impact.

Step 3: Conclusion.

The correct economic impact of tourism is (A) Employment Generation, as tourism creates numerous job opportunities.

Final Answer: Employment Generation.

Quick Tip

Tourism drives economic growth by creating employment opportunities in various sectors such as travel, hospitality, and local businesses.

2. An Indian resident of New Delhi visits Jaipur City with family for a holiday. This is an example of

- (A) Inbound Tourism
- (B) Outbound Tourism
- (C) International
- (D) Domestic Tourism

Correct Answer: (D) Domestic Tourism

Solution:

Step 1: Understanding tourism types.

Tourism is generally categorized into four types: inbound, outbound, international, and domestic. Domestic tourism refers to when a resident of a country travels within the same country for leisure or business purposes.

Step 2: Analysis of the options.

- **(A) Inbound Tourism:** Incorrect. Inbound tourism refers to foreign visitors traveling to India.
- **(B) Outbound Tourism:** Incorrect. Outbound tourism refers to Indian residents traveling abroad.
- **(C) International:** Incorrect. International tourism refers to travel between different countries, not within the same country.
- **(D) Domestic Tourism:** Correct. Since both the resident and the destination are within the same country (India), this is an example of domestic tourism.

Step 3: Conclusion.

The correct answer is (D) Domestic Tourism, as the travel is within the same country.

Final Answer: Domestic Tourism.

Quick Tip

Domestic tourism involves traveling within one's own country, while international tourism involves crossing national borders.

3. 'Athithi Devo Bhava' means

- (A) Hosts are like God
- (B) Guests are like God
- (C) Hosts are God men
- (D) Guests are God men

Correct Answer: (B) Guests are like God

Solution:

Step 1: Understanding the meaning.

The phrase "Athithi Devo Bhava" is a Sanskrit expression which translates to "The guest is God." This is a common expression in Indian culture, emphasizing the respect and honor given to guests.

Step 2: Analyzing the options.

- **(A) Hosts are like God:** Incorrect. This option is incorrect because the phrase focuses on guests being treated as God, not the hosts.
- **(B) Guests are like God:** Correct. This is the correct meaning of the phrase "Athithi Devo Bhava."
- **(C) Hosts are God men:** Incorrect. This is not the intended meaning of the phrase.
- **(D) Guests are God men:** Incorrect. Although this option is similar, it implies a different meaning than the original phrase.

Step 3: Conclusion.

Therefore, the correct answer is (B) Guests are like God, which is the meaning of the expression "Athithi Devo Bhava."

Final Answer: Guests are like God.

Quick Tip

"Athithi Devo Bhava" highlights the Indian tradition of treating guests with utmost respect and reverence, as if they were gods.

4. Tourists who travel to a country other than the one in which they normally live are termed as

- (A) International tourists
- (B) Domestic tourists
- (C) Guests

(D) Visitors

Correct Answer: (A) International tourists

Solution:

Step 1: Understanding types of tourists.

Tourists are classified based on their travel destination. Those traveling within their own country are domestic tourists, while those traveling abroad are international tourists.

Step 2: Analyzing the options.

- **(A) International tourists:** Correct. International tourists are people who travel to a country other than their home country.
- **(B) Domestic tourists:** Incorrect. Domestic tourists are individuals who travel within their own country.
- **(C) Guests:** Incorrect. While tourists can be guests, the term "guests" is more general and doesn't specifically refer to international travelers.
- **(D) Visitors:** Incorrect. Visitors can be both domestic and international, but the term is not as specific as "international tourists."

Step 3: Conclusion.

Therefore, the correct answer is (A) International tourists, as they travel to countries other than the one in which they live.

Final Answer: International tourists.

Quick Tip

International tourists travel across borders to experience other countries' cultures, landscapes, and attractions, whereas domestic tourists stay within their own country.

5. GIT is the term used for

(A) Individual traveler

- (B) Guest traveler
- (C) Group travelers
- (D) Free traveler

Correct Answer: (C) Group travelers

Solution:

Step 1: Understanding the term GIT.

GIT stands for "Group Inclusive Tour," which is a type of organized travel package designed for groups of travelers. It typically includes transportation, accommodations, meals, and other services as part of the package deal.

Step 2: Analyzing the options.

- **(A) Individual traveler:** Incorrect. GIT refers to group travel, not individual travel.
- **(B) Guest traveler:** Incorrect. Guest traveler is a general term and is not specifically related to GIT.
- **(C) Group travelers:** Correct. GIT refers to group tours or travel packages for groups of people.
- **(D) Free traveler:** Incorrect. Free travelers are independent travelers, not part of a group package like GIT.

Step 3: Conclusion.

Therefore, the correct answer is (C) Group travelers, as GIT specifically refers to group tours.

Final Answer: Group travelers.

Quick Tip

GIT (Group Inclusive Tour) is designed for groups of travelers and often includes accommodations, meals, and transportation in a single package.

6. Mr. Sharma wants to book a room which is on the terrace/top floor of the hotel, part of which is open to the sky. Which of the following type of room shall he book?

- (A) Cabana Room
- (B) Lanai Room
- (C) Pent House
- (D) Suite

Correct Answer: (C) Pent House

Solution:

Step 1: Understanding the different room types.

A penthouse is a luxurious room typically located on the top floor of a hotel or building. It often features a private terrace or open space with stunning views and may be partially open to the sky.

Step 2: Analyzing the options.

- **(A) Cabana Room:** Incorrect. A cabana room is typically a small, standalone unit often located near a pool and is not usually located on the top floor with an open sky view.
- **(B) Lanai Room:** Incorrect. A lanai room is similar to a patio room or a balcony room, typically found on lower floors, with outdoor access but not necessarily open to the sky.
- **(C) Pent House:** Correct. A penthouse is the top-floor suite, often with private terraces and open areas with sky access.
- **(D) Suite:** Incorrect. A suite can be located on any floor and is not specifically linked to being on the top floor or open to the sky.

Step 3: Conclusion.

Therefore, the correct answer is (C) Pent House, as it is typically located on the top floor with open areas to the sky.

Final Answer: Pent House.

Quick Tip

A penthouse is a luxurious top-floor room, often featuring a private terrace and an open view to the sky, making it ideal for those looking for exclusivity and stunning views.

7. GIT is the term used for

- (A) Individual traveler
- (B) Guest traveler
- (C) Group travelers
- (D) Free traveler

Correct Answer: (C) Group travelers

Solution:

Step 1: Understanding the term GIT.

GIT stands for "Group Inclusive Tour," which is a type of organized travel package designed for groups of travelers. It typically includes transportation, accommodations, meals, and other services as part of the package deal.

Step 2: Analyzing the options.

- **(A) Individual traveler:** Incorrect. GIT refers to group travel, not individual travel.
- **(B) Guest traveler:** Incorrect. Guest traveler is a general term and is not specifically related to GIT.
- **(C) Group travelers:** Correct. GIT refers to group tours or travel packages for groups of people.
- **(D) Free traveler:** Incorrect. Free travelers are independent travelers, not part of a group package like GIT.

Step 3: Conclusion.

Therefore, the correct answer is (C) Group travelers, as GIT specifically refers to group tours.

Final Answer: Group travelers.

Quick Tip

GIT (Group Inclusive Tour) is designed for groups of travelers and often includes accommodations, meals, and transportation in a single package.

8. Mr. Sharma wants to book a room which is on the terrace/top floor of the hotel, part of which is open to the sky. Which of the following type of room shall he book?

- (A) Cabana Room
- (B) Lanai Room
- (C) Pent House
- (D) Suite

Correct Answer: (C) Pent House

Solution:

Step 1: Understanding the different room types.

A penthouse is a luxurious room typically located on the top floor of a hotel or building. It often features a private terrace or open space with stunning views and may be partially open to the sky.

Step 2: Analyzing the options.

- **(A) Cabana Room:** Incorrect. A cabana room is typically a small, standalone unit often located near a pool and is not usually located on the top floor with an open sky view.
- **(B) Lanai Room:** Incorrect. A lanai room is similar to a patio room or a balcony room, typically found on lower floors, with outdoor access but not necessarily open to the sky.
- **(C) Pent House:** Correct. A penthouse is the top-floor suite, often with private terraces and open areas with sky access.
- **(D) Suite:** Incorrect. A suite can be located on any floor and is not specifically linked to being on the top floor or open to the sky.

Step 3: Conclusion.

Therefore, the correct answer is (C) Pent House, as it is typically located on the top floor with open areas to the sky.

Final Answer: Pent House.

Quick Tip

A penthouse is a luxurious top-floor room, often featuring a private terrace and an open view to the sky, making it ideal for those looking for exclusivity and stunning views.

9. Which of the following is not a part of Body Language?

- (A) Facial expressions
- (B) The use of space
- (C) Clarity of speech
- (D) Gestures

Correct Answer: (C) Clarity of speech

Solution:

Step 1: Understanding Body Language.

Body language includes non-verbal cues such as facial expressions, gestures, and the use of space. It refers to all forms of communication that do not involve words.

Step 2: Analyzing the options.

- **(A) Facial expressions:** Incorrect. Facial expressions are a critical component of body language as they convey emotions and reactions.
- **(B) The use of space:** Incorrect. The use of space, also known as proxemics, is an important part of body language that helps communicate relationships and boundaries.
- **(C) Clarity of speech:** Correct. Clarity of speech refers to verbal communication and does not fall under body language, which focuses on non-verbal cues.
- **(D) Gestures:** Incorrect. Gestures are a key part of body language, helping to emphasize or convey meaning without words.

Step 3: Conclusion.

Therefore, the correct answer is (C) Clarity of speech, as it is not a part of body language.

Final Answer: Clarity of speech.

Quick Tip

Body language includes non-verbal cues such as facial expressions, gestures, posture, and the use of space, while verbal communication deals with clarity of speech.

10. Identify the type of motivation, we do things because they make us happy, healthy and feel good.

- (A) External Motivation
- (B) Internal Motivation
- (C) Identified Motivation
- (D) Interjected Motivation

Correct Answer: (B) Internal Motivation

Solution:

Step 1: Understanding types of motivation.

Motivation can be categorized into various types based on the source and nature of the drive. Internal motivation refers to doing something because it brings personal fulfillment, happiness, or health benefits.

Step 2: Analyzing the options.

- **(A) External Motivation:** Incorrect. External motivation is driven by external rewards, such as money or recognition, rather than personal satisfaction.
- **(B) Internal Motivation:** Correct. Internal motivation is the drive to do things because they make us feel good, happy, or healthy.
- **(C) Identified Motivation:** Incorrect. Identified motivation occurs when we do something because we recognize its importance, but it does not necessarily relate to happiness or feeling good.
- **(D) Interjected Motivation:** Incorrect. Interjected motivation is when we act to avoid guilt or anxiety, not necessarily because we enjoy or feel good about the activity.

Step 3: Conclusion.

Therefore, the correct answer is (B) Internal Motivation, as it relates to doing things for personal satisfaction and health benefits.

Final Answer: Internal Motivation.

Quick Tip

Internal motivation comes from within and is driven by personal satisfaction, enjoyment, and fulfillment.

11. Which of the following does not come under self-employment?

- (A) Cooking in a restaurant
- (B) Owning a clothing business
- (C) Having a dosa selling stall
- (D) Running a home bakery

Correct Answer: (A) Cooking in a restaurant

Solution:

Step 1: Understanding self-employment.

Self-employment refers to individuals who work for themselves rather than for an employer. It includes owning a business or operating a small venture independently.

Step 2: Analysis of the options.

- **(A) Cooking in a restaurant:** Incorrect. Cooking in a restaurant typically refers to working as an employee in a business, not as an independent entrepreneur.
- **(B) Owning a clothing business:** Correct. Owning a clothing business falls under self-employment because the individual is running their own business.
- **(C) Having a dosa selling stall:** Correct. Operating a dosa stall is a form of self-employment, as it involves working independently.

- **(D) Running a home bakery:** Correct. Running a home bakery also qualifies as self-employment, as it is a business run independently.

Step 3: Conclusion.

Cooking in a restaurant is not self-employment, as it involves being employed by a business rather than owning or running it. Hence, (A) Cooking in a restaurant is the correct answer.

Final Answer: Cooking in a restaurant.

Quick Tip

Self-employment includes owning and operating a business or working independently, while working for an employer is not considered self-employment.

12. How many sustainable development goals are given by the United Nations?

- (A) 18
- (B) 17
- (C) 15
- (D) 20

Correct Answer: (B) 17

Solution:

Step 1: Understanding the Sustainable Development Goals (SDGs).

The United Nations (UN) established 17 Sustainable Development Goals (SDGs) as part of its 2030 Agenda for Sustainable Development. These goals aim to address global challenges such as poverty, inequality, environmental sustainability, and peace.

Step 2: Analysis of the options.

- **(A) 18:** Incorrect. There are only 17 SDGs, not 18.
- **(B) 17:** Correct. The United Nations has set 17 SDGs to guide global development efforts.

- **(C) 15:** Incorrect. While there are 15 targets under Goal 15 (Life on Land), the total number of SDGs is 17.
- **(D) 20:** Incorrect. There are 17 SDGs, not 20.

Step 3: Conclusion.

The correct number of Sustainable Development Goals set by the United Nations is **(B) 17**.

Final Answer: 17.

Quick Tip

The United Nations' Sustainable Development Goals (SDGs) are a set of 17 goals aimed at addressing global challenges and ensuring a better future for all.

13. Passiveness and Aggressiveness of mind depicts in _____ of arms.

- (A) Crossing
- (B) Movement
- (C) Rotation
- (D) Extension

Correct Answer: (A) Crossing

Solution:

Step 1: Understanding the context of body language.

In body language, the crossing of arms often signifies defensiveness, passiveness, or aggressiveness. It can be a protective gesture when someone feels vulnerable or confrontational.

Step 2: Analyzing the options.

- **(A) Crossing:** Correct. Crossing the arms often indicates a closed-off posture, which can depict passiveness or aggressiveness.
- **(B) Movement:** Incorrect. Movement can indicate different emotions, but it is not specifically related to passiveness or aggressiveness.

- **(C) Rotation:** Incorrect. Rotation is more associated with changes in direction or posture, not with passiveness or aggressiveness.
- **(D) Extension:** Incorrect. Extension of the arms can be an open gesture, indicating openness or assertiveness, not passiveness or aggressiveness.

Step 3: Conclusion.

Therefore, the correct answer is (A) Crossing, as it is commonly associated with defensiveness or aggression.

Final Answer: Crossing.

Quick Tip

Crossing of arms is often interpreted as a sign of defensiveness, discomfort, or aggression in body language.

14. Color of our eyes, Shape of our body and face are the example of which determinant of personality?

- (A) Culture
- (B) Family Background
- (C) Experience
- (D) Heredity

Correct Answer: (D) Heredity

Solution:

Step 1: Understanding determinants of personality.

Personality is influenced by various factors, such as heredity, culture, family background, and experiences. Physical traits like eye color and body shape are determined by genetics, i.e., heredity.

Step 2: Analyzing the options.

- **(A) Culture:** Incorrect. Culture influences behavior and social norms but does not directly determine physical traits like eye color or body shape.

- **(B) Family Background:** Incorrect. Family background influences values and upbringing but does not determine physical traits.
- **(C) Experience:** Incorrect. Experience influences personality development, but physical traits like eye color and body shape are not a result of experiences.
- **(D) Heredity:** Correct. Heredity is the genetic factor that determines physical characteristics like eye color, body shape, and facial features.

Step 3: Conclusion.

Therefore, the correct answer is (D) Heredity, as it determines physical traits such as eye color, body shape, and facial features.

Final Answer: Heredity.

Quick Tip

Heredity is the genetic factor that influences physical traits such as eye color, body shape, and facial features.

15. The way of thinking or feeling about something that is normally reflected in behavior is termed as

- (A) Emotions
- (B) Values
- (C) Interest
- (D) Attitude

Correct Answer: (D) Attitude

Solution:

Step 1: Understanding the concept of attitude.

Attitude refers to a way of thinking or feeling about something, which is reflected in an individual's behavior. It is often formed from values, experiences, and emotions.

Step 2: Analysis of the options.

- **(A) Emotions:** Incorrect. Emotions are feelings such as happiness or sadness, but they are not always reflected in behavior.
- **(B) Values:** Incorrect. Values are the principles or standards that guide behavior, but they are not directly reflected in behavior in the same way as attitude.
- **(C) Interest:** Incorrect. Interest refers to a person's curiosity or focus on a topic, but it does not fully reflect behavior.
- **(D) Attitude:** Correct. Attitude is the way of thinking or feeling about something, which is reflected in behavior.

Step 3: Conclusion.

The correct term for the way of thinking or feeling that is reflected in behavior is attitude, making (D) Attitude the correct answer.

Final Answer: Attitude.

Quick Tip

Attitudes are the mental state or feelings we have towards something or someone, and they are often reflected in how we behave.

16. It means developing the ability to see positive things and lessen the tension in environment.

- (A) Educate yourself
- (B) Having a sense of humor
- (C) Examine your attitude
- (D) Communication

Correct Answer: (C) Examine your attitude

Solution:

Step 1: Understanding the concept of reducing tension.

Reducing tension in the environment involves the ability to develop a positive outlook. It often requires examining your attitude toward challenges and adopting a more constructive approach.

Step 2: Analysis of the options.

- **(A) Educate yourself:** Incorrect. While education can be helpful, the ability to reduce tension is more closely related to attitude.
- **(B) Having a sense of humor:** Incorrect. While humor can help ease tension, the key factor is the overall attitude toward challenges.
- **(C) Examine your attitude:** Correct. Examining and adjusting your attitude is crucial in reducing tension and viewing situations positively.
- **(D) Communication:** Incorrect. Communication is important, but it is the attitude that plays a bigger role in reducing tension in an environment.

Step 3: Conclusion.

The ability to reduce tension and focus on positive outcomes is best achieved by examining and changing your attitude, making (C) Examine your attitude the correct answer.

Final Answer: Examine your attitude.

Quick Tip

A positive attitude is essential in overcoming challenges and reducing stress. Examining and adjusting our outlook on situations can significantly improve our mental well-being.

Section - B

17. What do you understand by Domestic Tourism? Give one example.

Solution:

Step 1: Define Domestic Tourism.

Domestic tourism refers to the act of people traveling within their own country for leisure, business, or other purposes. This type of tourism involves visiting destinations within the same country, rather than traveling abroad.

Step 2: Give an example.

For example, an Indian traveling from Delhi to Goa for a holiday is an example of domestic tourism, as both the traveler and the destination are within the same country.

Quick Tip

Domestic tourism plays a vital role in the national economy by boosting local businesses and tourism infrastructure.

18. Why is Travel Literature considered important?

Solution:

Step 1: Define Travel Literature.

Travel literature refers to writings that describe the experiences and observations of people traveling to different places. These writings often include details about culture, geography, customs, and personal encounters.

Step 2: Explain the importance of Travel Literature.

Travel literature is important because it provides valuable insights into foreign lands, their people, and cultures. It opens the eyes of readers to new perspectives and helps bridge the gap between different cultures by fostering understanding and appreciation.

Step 3: Additional significance.

Travel literature also serves as a historical record, documenting the journeys and experiences of travelers, which can be helpful for future generations in understanding how the world has evolved.

Quick Tip

Travel literature not only provides entertainment but also educates readers about geography, cultures, and history.

19. What qualities do you think are required to become an ideal Entrepreneur? List out any four of them.

Solution:

Step 1: Identify the key qualities of an ideal entrepreneur.

An ideal entrepreneur is characterized by various qualities such as determination, innovation, leadership, and risk-taking ability.

Step 2: List the qualities.

1. **Determination:** Entrepreneurs need the persistence to keep moving forward despite challenges.
2. **Innovation:** They should be able to think creatively and find new solutions to problems.
3. **Leadership:** A good entrepreneur should inspire and lead a team effectively.
4. **Risk-taking:** Entrepreneurs often need to take calculated risks to grow their business.

Quick Tip

Ideal entrepreneurs are persistent, creative, and able to lead teams while taking calculated risks.

20. What is Sustainable development?

Solution:

Step 1: Define Sustainable Development.

Sustainable development is development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

Step 2: Explain the importance.

It involves balancing economic growth, environmental protection, and social well-being to create long-term prosperity and equality.

Quick Tip

Sustainable development emphasizes meeting current needs without harming future generations' ability to meet theirs.
