----------------------	-------------------	---------------------

General Instructions

Read the following instructions very carefully and strictly follow them:

- Answers to this Paper must be written on the paper provided separately.
- You will not be allowed to write during the first 15 minutes
- This time is to be spent in reading the question paper.
- The time given at the head of this Paper is the time allowed for writing the answers,
- The paper has four Sections.
- Section A is compulsory - All questions in Section A must be answered.
- You must attempt one question from each of the Sections B, C and D and one other question from any Section of your choice.

1. Differentiate between growth and development, noting that growth is quantitative while development is qualitative.

2. Explain the middle path concept (also known as “Stop and Go Determinism”) introduced by Griffith Taylor.

3. Name and explain the three components: Birth Rate, Death Rate, and Migration.

4. Explain three push factors of migration (like unemployment or poor living conditions) that compel people to leave their origin.

5. Define brain drain and give one reason for its occurrence between developed and developing nations.

6. Examine the geographical (climate, water), economic (urbanization), and cultural factors influencing global population density.

7. Explain the four pillars: Equity, Sustainability, Productivity, and Empowerment.

8. Differentiate between service-based tertiary activities and knowledge-based quaternary activities.
