WELCOME NOTE

CHAIRMAN

Dear Students,

Welcome to NIU, it is the start of a new and crucial step in your life and career ahead. Noida International University was established with the motive to provide quality education to students seeking a conducive environment for their personal and professional growth. The University strives to become a beacon of world-class education by creating a diverse learning environment weaving up traditional and modern learning processes and transforming NIU into a multi-cultural abode for students.

NIU has been a strong advocate of uplifting the medical infrastructure in the country and to prove its commitment towards providing affordable healthcare facilities to the masses, Noida International Institute of Medical Sciences was set up as a part of NIU. The University also offers a variety of Paramedical courses to produce skilled medical professionals who can help elevate the quality of healthcare services provided globally.

I wish you all the best and through your years with Noida International University, we hope that you put your best foot forward from this moment on. "Live life to the fullest, take in every moment, and grow from every fault & fear you may encounter. Don't worry about the battles; victory lies with those who win the war!"

Devesh K Singh

Dr. Devesh Kumar Singh

Chairman,
Noida International University

WELCOME NOTE

CHANCELLOR

Dear Students, Parents and Guardians, Welcome to Noida International University, Delhi/NCR's largest private university in terms of campus area. Over the years, Noida International University has established a distinct name for itself in the education landscape. Here, we customize the syllabus, pedagogy and overall academics for your personal intellectual and overall evolution as a person, who is not just market ready but a true valuable asset of the nation.

V. Singh

Dr. Vikram Singh
Chancellor,
Noida International University

WELCOME NOTE

VICE CHANCELLOR

With our country's fast-paced advancement in the education sector, the need for such institutions has increased that can not only provide students with education relevant to the current industry norms but also produce skilled leaders capable of shaping society. Keeping in mind the ever-changing requirement of the education sector, Noida International University was established a decade ago. The vision behind setting up this grandeur institution was to bridge the gap between academia and industry requirements. The emphasis of the University is on personality development, innovation and creativity, and focus on eradicating long-standing issues related to gender, race, culture, etc. University is the knowledge server focuses on dissemination of knowledge, academics, research, innovation for the creation of intellectual ability, Continuing Medical Education and management development programmes. To establish itself as one of the top Universities on a global scale, NIU has opened its door to international students and also launched various student exchange programmes to help students visit international institutes of repute and gain the desired knowledge. NIU is focusing on National Education Policy on five pillars affordability, accessibility, quality, equity and accountability to ensure continual learning. I welcome you all to be a part of NIU for a bright future to emerge as a good human being along with a skilled professional.

Uma Bhardwaj

Prof (Dr.) Uma Bhardwaj
Vice Chancellor,
Noida International University

About Us

Noida International University was established in the year 2010 by an Act (Act No. 27 of 2010) of the Uttar Pradesh State Legislature. The University is approved under Section 2(f) of UGC Act 1956 and also empowered to award degrees as specified by UGC under section 22 of UGC Act 1956. The University is accredited by National Assessment and Accreditation Council **(NAAC) with A+ grade, a score of 3.44- highest among private universities in cycle 1 and is also a member of Association of Indian Universities (AIU).**

The University has received prestigious recognition by the Department of Science and Industrial Research (DSIR) under the scheme on Recognition of Scientific and Industrial Research Organizations (SIROs), as a Scientific and Industrial Research Organization (SIRO) in 2022. Noida International University has been recognised as a Host Institute by MSME, Govt of India.

The University through its 12 schools is offering various multi-disciplinary programmes in varied streams of Engineering, Sciences, Management, Law, Medical and Social Sciences. The University also has a **750 bedded Hospital and a Medical College named Noida International Institute of Medical Sciences (NIIMS).** NIIMS is a Centre of Excellence which endeavours to develop a unique pedagogy for medical education. All the programmes and curriculum are duly approved by respective bodies like UGC, INC, NCTE, NMC, PCI and BCI.

CAMPUS AT A GLANCE

We Believe

At NIU, we believe in creating leaders by imparting the requisite knowledge and expertise to shape the 21st century. To do that, we invest in state-of-the-art tools necessary for successful and useful innovations in the most conducive environment. For example, we create an atmosphere of entrepreneurship and risk management that allows our students to be globally competitive.

14 YEARS

Celebrating 14 years of institutional excellence

Vision

"To be a global Centre of learning, Innovation, Professionalism and Academic Excellence Tempered with values and Ethics"

Mission

- To create a vibrant Environment conducive to passionate learning and original thinking.
- Interaction with academia and industry to promote quality research and pathbreaking innovations.
- To nurture world class human resources in all domain for positive and meaningful services to the nation and society.
- To inculcate the highest level of integrity, strong character and commitment in nation building to serve mankind through providing Quality Education & Health Care Services to the society.

TESTIMONIALS

Akanksha Sharma

Looking for a top-notch university? Choose Noida International University! We celebrate a diverse international student body and offer a supportive environment to help you achieve your goals. With a spacious campus and friendly classmates, you won't face language or cultural barriers here. Our faculty are kind, helpful, and supportive.
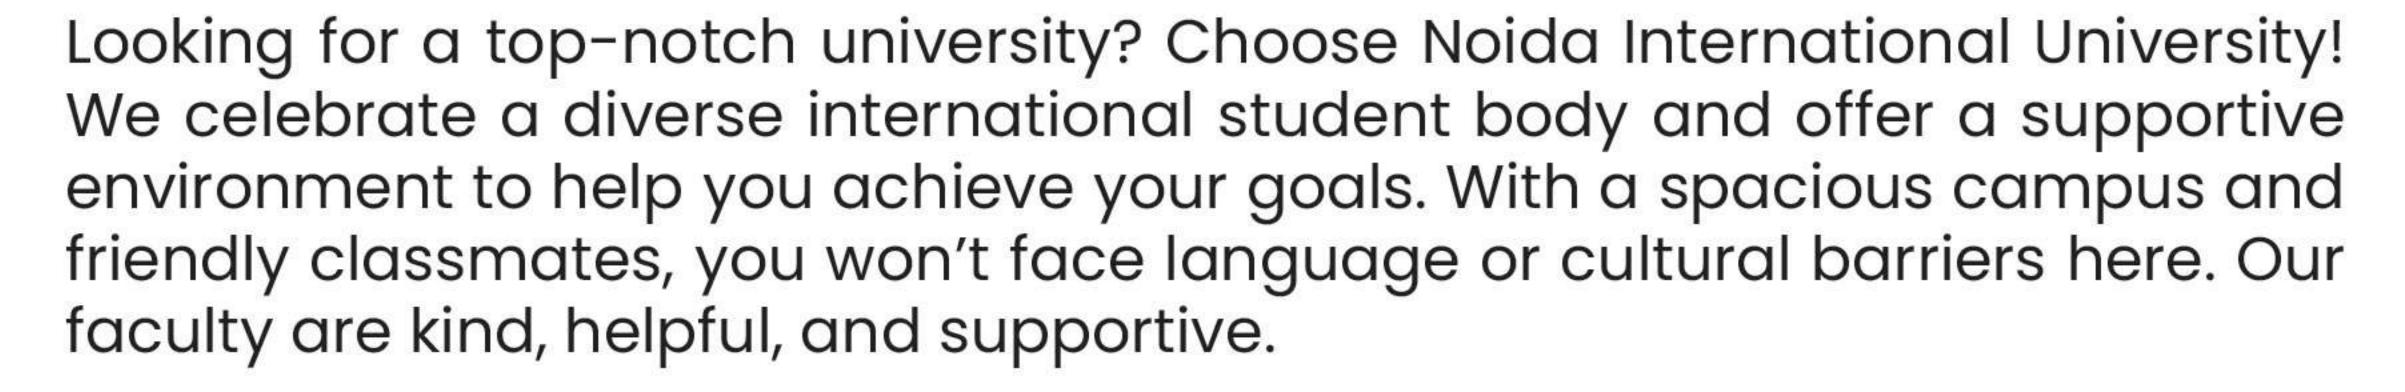

Siriane Poisson BFA | France

I'm so happy to join NIU because it's giving me a good life experience. I faced a culture difference from mine that I really like. In NIU, I had the opportunity to meet very nice people who have the same interest as mine. It gives me a lot of motivation to practice. And the department of art is also very well arranged. Thank you NIU for this experience.

Deepak Kumar

Being in the first B.Sc. Nursing batch at Noida International University has been a transformative experience. NIU offers excellent infrastructure, smart classrooms, and top-notch faculty, which have greatly enhanced my learning. The well-equipped labs and library, along with the affiliation with a leading hospital, have sharpened my clinical skills. I'm deeply thankful to the faculty and staff for their invaluable support.

Enemuo Chioma Angela BBA LLB | Nigeria

My name is Enemuo Chioma Angela, a student of NIU pursuing Bachelor's degree in Law. As a student I am still experiencing my fair share at NIU but amidst all of it's been interesting, and enthusiastic. Though the task has been demanding still, help is always been provided. Am loving it here and so far I've never regretted my decision of opting NIU.

Krishna Pandey

I'm so thankful that I chose Noida International University for my B.Tech program. I cherish the moments spent under the guidance of eminent faculty members, my mentors and Career Development Team. I highly recommend the University for giving an excellent learning environment and shaping my career..

Jonathan P Hney B.Sc Information Technology | Liberia

At Noida International University, we gained quality education and am so happy and glad to be part of this noble institute. Here every one is treated equally , there is so much love and joy in this noble institute, My educational journey was great and perfect at this University.

Sagar Bhati

My experience in Noida International University is very great because we have very good teachers and it is really great. All the teachers support their students and so many books are available in library which is very important for a university.

Jubaer Hasan B.Tech | Bangladesh

I am studying CSE in first year at Noida International University. India is like my second home and I feel that university students and teacher's are like a family. So far my journey has been transformative and quality of education here in India is very good. I travel a lot and I am enjoying every moment here.

Noida International Institute of medical Sciences (NIIMS)

Noida International Institute of Medical Sciences (NIIMS) was established with a vision to provide world-class healthcare services, and endeavors to provide medical education of the highest quality to MBBS students. NIIMS's greater focus lies on the pragmatic approach of learning that lets a student explore the deeper nuances of medical education.

To achieve this feat, NIIMS concurrently runs with NIIMS hospital which is a 750 bedded super specialty hospital hence encouraging practical experience for the students. Located strategically in Greater Noida, just 15 minutes from the upcoming Jewar Airport, NIIMS encompasses state of art medical facilities in line with the revised curriculum of the National Medical Commission (NMC). Our key values which govern and drive our institute towards high scale being the best in providing healthcare services to all are patient centricity, teamwork, innovation and morale.

NIIMS Hospital provided its services during Covid 1st and 2nd wave and treated more than thousand of national and international patients. It's the endeavor of our institution to stand with human kind during this time of crisis.

NABH PRE ACCREDITED
NABL ISO / IEC 17025 Accredited
National Medical Commission

Our Values:

Our key values which govern and drive our institute towards high scale being the best in providing healthcare services to all are as follows:

Patient Centricity: We are committed to provide our patients the best experience along with world-class treatment which will help to deliver the desired outcomes. Our patients are our first priority and we treat them with compassion, care and understanding.

TeamWork: We believe in the power of oneness and thus our team supports each other and treats our patients with utmost care. Putting the organisation's needs before the department, we respect and value our staff members and their opinion and experiences.

Innovation: We are committed towards continual improvement and innovation which will exceed our expectations, we challenge ourselves to do things differently for the benefit of our patients. We strongly follow the we can-do attitude in all walks of life.

Morale: We aim to stay open, honest and demonstrate moral courage always. We make sure to go beyond our call of duty to deliver the best and take pride in our actions.

ABOUT
NOIDA INTERNATIONAL INSTITUTE OF MEDICAL SCIENCES

NIU has been a strong advocate of uplifting the medical infrastructure in the country and to prove its commitment towards providing affordable healthcare facilities to the masses, Noida International Institute of Medical Sciences was set up as a part of NIU. The University also offers a variety of Allied Health courses to produce skilled medical professionals who can help elevate the quality of healthcare services provided globally.

Medical (MBBS)

Work hard to make it happen. What you learn today will save someone's life tomorrow.

Bachelor of Medicine and Bachelor of Surgery (MBBS), is a professional medical degree for those who dream of becoming a certified medical practitioner. MBBS syllabus includes study of a range of specialties that include anatomy, pathology, physical health & rehabilitation, paediatrics, surgery and much more. An MBBS degree holder can choose a specialty for practising medicine by further studying a specific subject in majors. Career specialties of MBBS students can include Cardiology, Gynecology, Organ Transplant, General Surgery, etc.
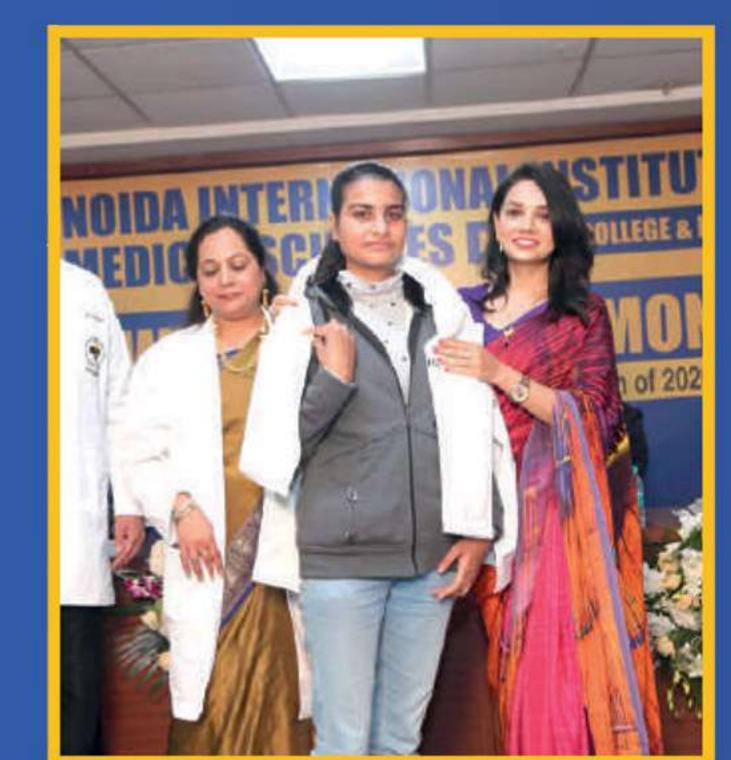

Doctors can work at various employment areas that include polyclinics, hospitals, health centres and nursing homes. MBBS degree holders can also work at medical colleges, research institutes, non-profit organisations, pharmaceutical and biotechnology companies, and can also proceed towards starting private practice.
