

FINAL PLACEMENT REPORT CAREER DEVELOPMENT SERVICES

PGP 2023-25

Overview

“Opportunities fuel ambition, knowledge shapes vision, and hard work turns both into success”

IIM Visakhapatnam, affectionately known as the sunrise IIM, continues to uphold its reputation as one of India’s fastest-growing management institutions, successfully concluding the final placement process for PGP 2023-25, the largest batch in its history.

Despite evolving market dynamics, the Institute witnessed robust participation from industry leaders across diverse sectors, further strengthening its position as a talent hub for top recruiters. The placement season saw 15% of the cohort successfully converting Pre-Placement Offers (PPOs) from their summer internships, demonstrating the industry’s growing confidence in IIMV’s talent.

The success of this placement season was evident, as students secured coveted job offers, with the highest package reaching an impressive ₹32.50 Lakhs. This achievement reflects the strong industry standing of the Institute. The average package rose to ₹16.40 Lakhs, marking a 5.06% increase from last year, while the median package was recorded at ₹16 Lakhs, up by 3.23% from the previous year.

Highlighting the talent pool at IIM Visakhapatnam, the top 10% of students received an average package of ₹27.84 Lakhs, which is a 13.08% increase. The top 25% of students secured an average package of ₹22.64 Lakhs, reflecting a 7.55% rise, and even the top 50% enjoyed a competitive average package of ₹19.50 Lakhs, up by 5.23%.

These milestones are a testament to the unwavering determination and adaptability of our students, who continue to push boundaries and reach new heights on their path to excellence.

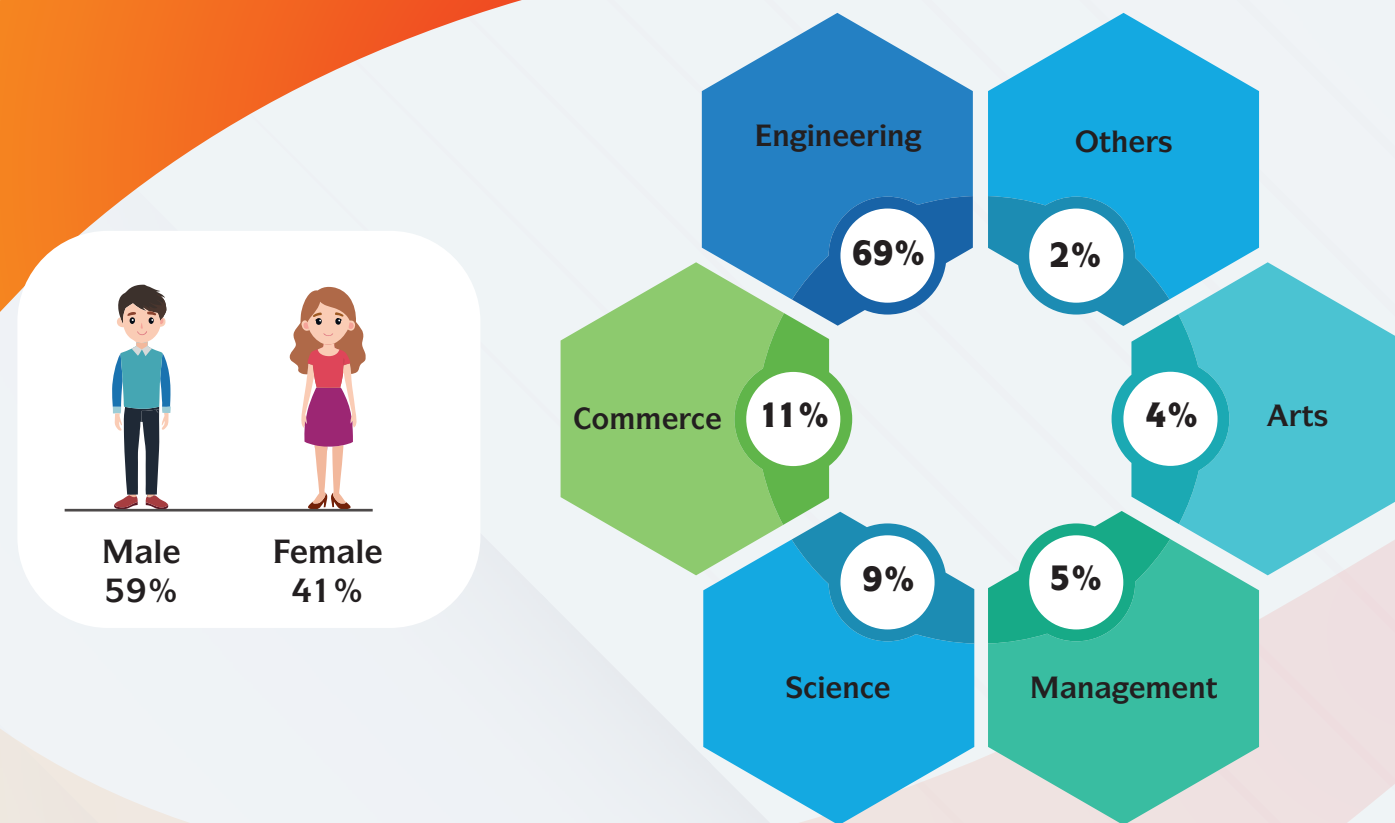

Chairperson’s Message

Prof. Deepika Gupta,
*Chairperson -
Career Development Services & Alumni Relations*

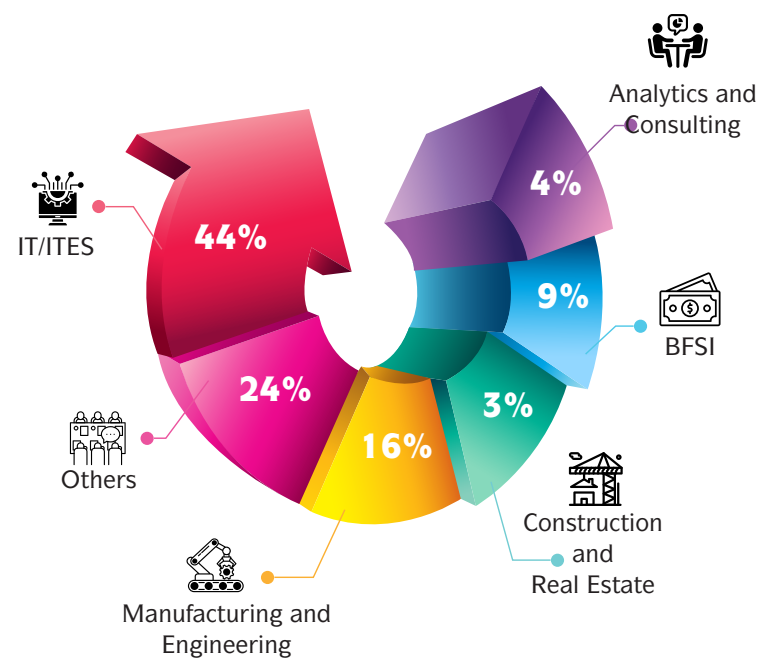

The CDS Chairperson, Prof. Deepika Gupta expressed her gratitude to all the recruiters who have reposed their faith in the Institute and students, “With the impact of global geo-political factors continuing, we were highly concerned about the outcome of (the placement season) this year. It was a mixed feeling as the 2023-25 batch met our expectations to a great extent. It is still a long way to go given the challenges faced across various roles, domains and industries in terms of resources constraints, digital impacts and global tariff orders. However, our students were well equipped to meet these demands and demonstrated their best skillsets to secure placement opportunities. I thank my CDS Team, Students’ Placement Committee and all the students for a challenging task made simple, and successfully accomplished. Our resilient and responsive systems, people and processes helped us meet the uncertainties successfully and we are now better prepared than ever, to meet any unpredictable environment”.
