GAUHATI UNIVERSITY

Message from the Vice-Chancellor

Gauhati University, the premier university of the North-East, has always been a destination for undergraduate, postgraduate and research programmes. It is a NAAC A+ grade institution and ranked 9th among all state universities in India as per NIRF ranking 2025. The university campus has more than 48 academic departments and centres, and it offers PhD degrees in most of the departments, in addition to the masters and undergraduate programmes. The university has a vast network of its alumni spread across the globe occupying positions of esteem and privilege.

The National Education Policy (NEP)-2020 has redefined the education structure of India, and the university has taken the initiative to ensure smooth transition into the newly defined NEP-2020 academic ethos. Also, in line with the provisions of the NEP, a massive restructuring of undergraduate programmes for the hundreds of its affiliated colleges has already been done.
The academic session 2026-27 carries forward the execution of a massive expansion of our undergraduate programmes of the campus departments. Students will be admitted into the Five-Year Integrated Masters Programmes (FYIMP) in various disciplines which is a combination of the Four-Year Undergraduate Programme and a fifth year. Students once admitted after their 10+2 shall have the opportunity to continue up to their fifth year without any intermediate entrance test with provisions of multiple exits and entry in the intervening years.

The university campus at Jalukbari is a vibrant academic-socio-cultural-intellectual eco-system, and students just after their 10+2 level shall get the opportunity to pursue their studies in the same departments where research and intellectual practices are part of the day-to-day activities. It is noteworthy to mention that the university has formalized extra-curricular activities of students into several clubs that lead to earning of course credits as part of the curriculum. The students also get the opportunity to learn various forms of performing arts and culture and also foreign languages as minor disciplines in addition to the usual subjects.

I believe Gauhati University is the best academic destination of our bright young students who have just completed their 10+2 level studies, and admission to any of the disciplines in offer will open new vistas to participate and expand their passion to learn and innovate.

Prof. Nani Gopal Mahanta
Vice-Chancellor, Gauhati University

B.A. /B.Sc /B.B.A /B.Com /B.Voc integrated with M.A./M.Sc./M.Com/MBA/M.Voc./M.Tech in various disciplines, designed as Integrated Masters, in the University campus. The Integrated Masters Programme is of 5 years including the Four Year Undergraduate Programme (FYIMP) and adding the 5th year, following the National Education Policy (NEP)-2020 curriculum framework. Few important features regarding the Course Structure:

1. Students will have one subject as their Major. Admission shall be offered against the selected and allotted Major. For example-in Integrated Masters (B.A.+ M.A. in Assamese). However, they will have the option to change their Major after the first 3 Semesters, based on their Grade Points secured in 3 Semesters. However, Change of Major shall be competitive and shall be allowed only to a few students based on Merit and subject to the availability of seats in the concerned department.

2. Apart from the Major Subject, students shall have one Minor subject. Allotment of the Minor subject during the admission process may not be final as this will depend on the availability of seats in the concerned subject.

3. Students shall also have the facility to do Double Major, if they take extra courses in Minors, in their later semesters.

4. Students will also have Ability Enhancement Course (AEC), Value Added Course (VAC), Skill Enhancement Course (SEC), Multi-Disciplinary Course (MDC), Internship etc. as part of their complete curriculum.

5. After 3 Years, students shall get their B.A./B.Sc./B.Voc.(Major) Degree

6. After 4 Years, students shall get either B.A./B.Sc./B.Voc./B.Tech (Honours) Degree, or B.A./B.Sc./B.Voc. (Honours with Research)/B.Lib.I.Sc Degree, based on their selection of subject/ thesis in 4thyear.

7. After 5 Years, students shall get their Integrated M.A./M.Sc./M.Voc./M.Tech/M.Lib.I.Sc Degree

8. There shall be also provisions of Exits after 1 Year (With a Certificate in the Subject), and after 2 Years (With a Diploma in the Subject).

9. Gauhati University has the right to discontinue a programme in light of enrollment capacity.

10. The University reserves the right to cancel any admission on detection of any discrepancy even after the admission is completed.
