VISION

"To begin with high-quality education, the basic approach shall be excellence beyond teaching, aiming at continuous development and making a unique contribution to the world of technology, for which posterity shall be grateful to this center of learning."

Dr. Satya Prakash Panda
Chairman, GGI, Odisha

Dr. Satya Prakash Panda is a visionary educationist with over five decades of dedicated service. A true Gandhian and philanthropist, he dared to dream big and successfully transformed his vision into reality by establishing universities, autonomous institutions, engineering and higher education colleges, schools, orphanages, and old-age homes across Odisha. He is widely regarded as a key force behind the transformation of technical education in the state.

Under his leadership, the institutions uphold discipline and deliver meaningful, quality education, achieving academic excellence and consistent student placements with reputed recruiters for over two decades.

GEC Autonomous College is led by Prof. Manas Ranjan Panda, a highly qualified, widely travelled, and dynamic academician. A Computer Science Engineer, he holds an MS in Advanced Computer Science from the University of Manchester and an MBA from the University of Cardiff, UK. He is the chief architect behind elevating GEC Autonomous College to new heights in technical and professional education.

With his vision, zeal, and tireless efforts, the institution has achieved remarkable all-round growth over the past 21 years. Prof. Panda emphasizes outcome-based education aligned with industry needs and has successfully established Centres of Excellence and Incubation Centres, making the institution industry-ready, employable, and focused on quality education and placements.

Prof. Manas Ranjan Panda
Vice-Chairman
GEC Autonomous College

"To expand human knowledge and benefit society through research integrated with education, we investigate the most challenging & fundamental problems in technology in a singularly collegial, interdisciplinary atmosphere, while educating outstanding students to become creative members of society"

Be a part of GEC....

Realize your dreams

The Career Fulfillment Cell at GEC focuses on managing various career development activities for aspiring students. During their stay at GEC, the cell acts as a partner for students. Career Fulfillment Cell also focuses purely on generating opportunities, organizing various campus placement and internship opportunities by liaising with industries, counseling students for bringing clarity about their goals and also nurturing them for enhancing their personality.

Career Fulfillment Cell conducts a number of activities on the campus to prepare students for the extensive placement processes. The activities include interview preparation, career counseling, mock GD and more. The Cell not only focus upon preparing students for campus selection but also make them ready for different competitive examinations like GATE, GRE, ESE, IAS, OAS etc.

Objectives:

The prime objectives of the Career Fulfillment Cell is

- * To look for 100% employment for all students.
- * To recognize the core competencies of the students.
- * To train the students to meet the expectations of the industry through different Career Development Programmes.
- * To build confidence in students and develop life skills in them.
