## From the Desk of the Vice-Chancellor

Namaskar and Season's Greetings!

Many congratulations on your excellent academic journey so far. You are warmly welcome to the Gujarat University family. Since its inception in 1949, banking on our glorious alumni tradition, the University strives to excel in various disciplines like Commerce, Humanities, Management, Law, Education, Sciences, Medical, and Paramedical.

This e-booklet details various courses following the UGC and Government of Gujarat guidelines. The credit system for each subject is the core component of the education system at Gujarat University. This will be especially beneficial for those who wish to pursue higher studies at the institutes and universities of national and international repute. These programmes include a wide range of Core-Compulsory and Core-Elective, subject electives and soft skill and foundation courses.

The motto of Gujarat University is “Education-Innovation-Skill with Culture”. Gujarat University also provides a progressive platform for young entrepreneurs, researchers, scholars, and faculty. The University has a strong and innovative initiative like Gujarat University Startup and Entrepreneurship Council (GUSEC), Gujarat University Consultancy Cell (GUCC) and APJ Abdul Kalam Centre for Extension, Research and Innovation (CERI), Research Park (RP), DST- Technology Business Incubator (TBI), Atal Incubation Centre (AIC). The affiliated colleges of this University also provide varied opportunities and a platform to the students to blossom in curricular and extra-curricular activities like cultural, social, sports, NSS and NCC, etc. We encourage and strive for the all-around development of students for a better culture – individual and national.

Let me put some light on a few key and remarkable achievements of the University during the last year. GU became the first university in India to sign a cooperation agreement with the Indian Army to collaborate on innovation, training of soldiers and solving challenges faced by the Indian Army. GU signed MoU with Canada's Launch Academy during the Vibrant Gujarat Start-up Summit. During the year, GU also undertook a program named her-START to boost women-led start-ups and women entrepreneurship, paving way for more than 35 women-led start-ups emerging from the program.

These initiatives are only a few of the dozens that the University has taken in the last year. Your joining this historical and largest University in the state will also make you a part of this family and will allow you to participate in groundbreaking innovations. Gujarat University has a strong and inspiring legacy.

You are all welcome once again to participate in the unique combination of tradition and modern innovation that is making India more vibrant.

Congratulations to you, your parents, and your teachers, who have played a vital role in your academic achievements so far, which have culminated in glorious results. Now onwards, you will be a part of the Gujarat University family. We encourage and strive for the all-around development of the students for a better future—individual and national. Gujarat University has a strong and inspiring legacy. I welcome you to Gujarat University and wish you a Bright Future!
