# RESEARCH & INNOVATION

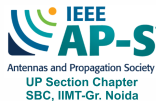

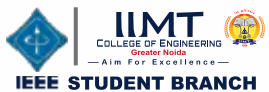

A fully operational R&D Incubation Centre with strong industry linkage supports innovation at IIMT. Research grants have been secured from the Ministry of MSME and the Department of Science & Technology.

The R&D Cell fosters entrepreneurship, supports research-driven startups, and has successfully delivered multiple government-funded projects.

IIMT researchers showcased an Automatic Camouflage Gun at DEFEXPO 2020, Lucknow, earning appreciation from Hon'ble Prime Minister Shri Narendra Modi.

## TECHNICAL TIE-UPS

IIMT actively builds strong technical collaborations and industry tie-ups.

**Technical Education Programme (TEP)** – Toyota TEP delivers hands-on training in advanced automotive technologies with on-the-job exposure at Toyota dealerships.

**PMKVY (Pradhan Mantri Kaushal Vikas Yojana)** Under PMKVY, IIMT is approved to train students for job roles in Polytechnic and Engineering.

**Google Developer Student Clubs (GDSC)** – GDSC at IIMT builds coding and development skills, guiding students from beginner to advanced levels.

**ISIE Collegiate Club** – ISIE Club promotes research and innovation in automobile engineering and IC engine technologies.

**ISTE Faculty Chapter** – ISTE Chapter enhances research facilities and faculty development in collaboration with ISHRAE.

**Industrial Set-Up – Dassault Systems** – IIMT partners with Dassault Systems to train 30,000+ students in industry-oriented projects.

The Apple Innovation Studio, a groundbreaking project that demonstrates IIMT Noida's dedication to prepare students for a quickly changing digital world, was built. This studio is more than simply a lab; it's a whole ecosystem for creation, innovation, and learning with an eye toward the future.

Students get access to the same cutting-edge tools and technologies used by professionals worldwide in app creation, multimedia production, research, and high-end computing thanks to the specialized Mac lab. Students benefit from this exposure by becoming more capable, confident, and well-prepared for the workforce.

## Apple Innovation Lab

## LABORATORIES

Hands-on learning is key to student development, building confidence and technical competence. IIMT houses state-of-the-art laboratories across campuses, guided by expert faculty and lab instructors in areas such as MATLAB, AutoCAD, Embedded Systems, Cloud Computing, and STAAD Pro. These labs feature advanced, industry-standard equipment to support practical learning. The institution actively promotes R&D through its dedicated Research & Development Cell, fostering innovation aligned with global trends.

## IIMT RADIO & NEWS CHANNEL

IIMT provides students with experiential exposure in media and communication through its in-house radio and news channel platform. Students engage in reporting, anchoring, and content creation, developing practical skills, confidence, and industry readiness in real-world communication environments.

# HOSTEL

FIND YOUR BOUNDLESS  
UNIVERSE OF FRIENDSHIP

Though away from home, yet IIMT boarding facilities make it a sweet home. Boarding facilities at IIMT hostels are available within campus for boys and girls separately. The institution has self-contained hostels with more than 800 rooms with attached bathroom, having the capacity of 1600 students on twin-sharing basis. Other facilities include excellent dining halls, indoor games, exercising equipments, communication centre with internet facility and fields for outdoor games.

- Rooms are spacious, hygienic, well-ventilated and fully furnished for its residents.
- Delicious, nutritious and hygienic meals are served in hostel dining halls. Menu can be prepared by the students themselves.
- Green lawns in the campus always freshen up the hostellers besides being main attraction for those who love nature. Twenty four hours water and electricity supply is available.
- Laundry facility is provided to the hostellers to free them from the worries of daily life and help them to concentrate on their studies:

## MESS & CAFETERIA

**"The most pious and purest place  
on the earth is a Temple"**

Temple is a place where one approaches God and divine knowledge can be discovered with the goal of enlightenment and liberation. We focus on all the aspects of everyday life- religious, cultural, educational as well as social. IIMT campus has a temple where students experience contentment & holiness.

As part of its CSR initiatives, IIMT conducts impactful community outreach programs, including traffic awareness drives with the RTO, anti-drug campaigns with government authorities, and rural medical camps in collaboration with Sharda Hospital. The institution also supports social welfare through stationery distribution to orphanages with NGO Vikash Vishranti and food distribution in association with Maharishi Panini Ved Vedant Vidyapeeth Gurukul. Additionally, knowledge-sharing initiatives are organized for street children, reflecting IIMT's commitment to inclusive social development.

The Borderless Bharat Conclave, redefining youth leadership in India, was graced by the presence of Hon'ble Dr. Mayank Agarwal, Managing Director, IIMT Group of Colleges, Group Captain Shubhanshu Shukla—India's astronaut and Ashoka Chakra awardee—and Dr. Syed Kalbe Rushaid Rizvi, an eminent theologian and social reformer.
