College Life is an important phase in a student's life which has the ability to offer tremendous breadth & depth of Educational offers. I would always be grateful to CPJ for giving me opportunity & exposure in different Areas. I am thankful to CPJ & respective Faculties for organizing events frequently which actually plays an important role in Changing Students personality & help in increasing confidence. CPJ College made me focused, dedicated, kept me motivated & helped me in achieving my Goals.

Taking admission in BCA program in CPJ College was one for the life changing decisions of my life. College life has enriched me with necessary skills to enhance my personality, taught me valuable concepts of decision making and integrity and eventually enabled me to be successful in life by remaining focused towards goals. I would really thank to all my faculties, staff and Dean to be a part of my college life & I shall never forget the time I invested in CPJ College.

I had read somewhere that an individual's intellectual and social stimulation begins from the college. Today when I think of this statement I think it is cent percent true. From walking in as a fresher with no direction and walking out at the end of 5th year as a confident person is probably the best transformation a person can get in CPJ. I am thankful to whole CPJ family especially SoL for making me what I am and motivating me for 5 years and later years also.

Missing my CPJ College brings both happy and sad memories. Happy memories include supportive teachers, great friends and support by the Senior Dignitaries. Sad memories include the Farewell, leaving every thing behind and missing those days. The Court Visits, PDP Sessions by Director General Sir and Moot Court Competitions were all very helpful in pushing me towards my goals. I am highly obliged towards my faculties who always helped me and made my dreams come true.

I have passed my Law graduation with First Division and had been a hard-working student with high social values. I was greatly impressed by the establishment and the way of teaching in CPJ, which further motivated me for joining Judicial Services and with God's grace, blessings of my Parents, Faculties and my hard work, I ultimately succeeded in clearing Bihar Judicial Services. This proves that Success can be achieved when one gets determined for it.

My alma mater has made me a good person, a good sportsman and above all a better soul. I will always remember the 3 years that I have spent during BBA(CAM) as the best years of my life. Amazing infrastructure, excellent faculty members, unmatched syllabus, loads of opportunities, latest technologies and well equipped labs. These three years had indeed been a great learning experience for me. I especially thank my College's Training and Placement Cell for giving me such an amazing opportunity to have been able to bag a package of 9.25 LPA.

Heartfelt thanks to CPJ College for the Career Expo, a pivotal event that secured my placement at SBI. The ongoing visits by diverse companies provided ample opportunities. The supportive teachers, coupled with Mock Interviews and PDP Sessions, were invaluable in honing my skills for the professional world. CPJ College's holistic approach and proactive initiatives significantly contributed to my success. Grateful for the transformative experience and the foundation it provided for my career journey.

I am sincerely thankful to CPJ College for providing excellent placement opportunities and continuous support throughout my academic journey. Securing a 20 LPA package at Power Grid after completing my LL.M (2023-24) is a milestone in my career. The college's guidance and efforts truly made this achievement possible.

Heartfelt gratitude to CPJ College for the invaluable opportunity during my BBA (2022-25). The cooperative staff made the learning experience truly enriching, providing a supportive and positive atmosphere. Now, as a part of Tech Mahindra, I can trace my success back to the solid foundation laid by CPJ College.
