### Section - B

Question Nos. 31 to 38 are Very Short Answer Type Questions and carry 2 marks each. Answer any six of these questions)

Read the passage carefully and answer any six of the following questions:

Teamwork means working together with others to reach a common goal. It is an important skill that can help us in many areas of life, like school, sports and future jobs. When we work in a team, we learn to communicate better. Sharing ideas and listening to others can lead to new and creative solutions. Teamwork also helps us to develop friendships, as we spend time together and support one another.

However, teamwork can sometimes be challenging. People may have different opinions or ways of doing things. It's important to talk about these differences and find a way to agree. Working through disagreements help us learn to respect others and understand different viewpoints. By working together, we can achieve more than what we could have achieved alone.

31. What does teamwork mean?

32. Name two benefits of teamwork mentioned in the passage.

33. Why might teamwork be challenging?

34. How can working through disagreements be helpful?

35. What can teamwork help us to achieve?

36. Complete the following sentences:

i) When we work in a team, we .....

ii) People may have different .....

37. Which word in the passage means 'innovative'?

38. Make sentences with the given words:

i) Important

ii) Respect.
