Mody University of Science and Technology (MUST)

Mody University of Science and Technology, established in 1989 by the late Shri Rajendra Prasad Mody, stands as a premier women's university in Lakshmangarh, Rajasthan, dedicated to empowering women through transformative education. Spread across a fully residential 265-acre campus, the university is committed to excellence, advancing knowledge and developing transformative skills in women fuelled by innovation, research, integrity, environmental consciousness, and ethical sensitivity. Through rigorous coursework, cutting-edge research, and robust industry-academia partnerships, it creates a supportive ambiance where new ideas flourish and tomorrow's leaders, technocrats, and social innovators emerge. By nurturing scientific, critical, and innovative thinking, Mody University addresses contemporary challenges at local, regional, national, and global levels, empowering students to reach their fullest potential as intellectually capable leaders across diverse professions.
