## About Us

Mahadevi Institute of Technology was launched in the year 2006 by the MKP college Society. Mahadevi Institute of Technology is affiliated to VMSB Uttarakhand Technical University and SDSUV, Tehri Garhwal for all our professional courses. We particularly focus on women education which is industry oriented and makes you self confident and flexible to be capable of absorption in multifaceted jobs in the corporate world. Our college has been launched to meet the socio-economic needs of imparting quality professional education to women.

## Vicion & Mission

The basic mission of the Mahadevi Institute of Technology is to provide education and training to all eligible students in various disciplines irrespective of their caste, creed, colour or community. The institute is committed to provide highest quality of infrastructure and education in selective fields of higher technical education. We provide students with appropriate academic environment, so that, they can fully develop their potential, professional capacities & capabilities. It is our aim to provide them with all facilities for sports and cultural activities so as to enable students to develop their personalities.

## Why MIT

The campus is spread over an area of 84 bigha with a plinth area, comprising buildings of high-standard, classrooms with proper ventilation, numerous laboratories, auditorium, smart classrooms, library, indoor and outdoor games, restrooms are provided at regular intervals in each corridor.
