Practical Exams

The Maharashtra HSC practical exams for 2026 are expected to be conducted in January 2026. Schools will organize these exams and provide the detailed schedule. Students should contact their respective schools for the exact dates and guidelines. Practical exams typically carry 20–30 marks, depending on the subject, and are mandatory for subjects like Physics, Chemistry, Biology, and others.

How to Download the Maharashtra HSC Time Table 2026

Students can download the official Maharashtra HSC Time Table 2026 PDF by following these steps:

1. Visit the official MSBSHSE website at mahahsscboard.in.
2. Navigate to the “Latest Notifications” section on the homepage.
3. Click on the link for “HSC Time Table February/March 2026 (General and Bifocal)”.
4. The time table PDF will open in a new window.
5. Download and save the PDF for future reference.

Exam Day Instructions

Students must adhere to the following guidelines to ensure a smooth examination process:

- Arrive at the examination center at least 30 minutes before the start of the exam.
- Carry the Maharashtra HSC Admit Card 2026 and a valid school ID.
- Use only blue or black pens for writing answers.
- Do not carry electronic devices such as smartphones, calculators, or smart-watches.
- Follow all instructions provided in the admit card and time table.

Supplementary Exams

Students who fail in one or two subjects can appear for the Maharashtra HSC Supplementary Exams 2026, tentatively scheduled for July/August 2026. The supplementary exam time table will be released after the announcement of the main exam results in May 2026.
