Faculty Speak

Dr. Monica Pandey

Associate Dean (Academic Quality Assurance)

Being part of Medhavi Skills University has been a deeply rewarding experience that has strengthened my journey as both a teacher and a learner. The emphasis on NEP 2020-aligned education, innovative pedagogy, and outcome-based assessment has transformed the teaching-learning environment into one that truly values creativity, critical thinking and continuous growth. Each day brings new opportunities to engage with enthusiastic students and inspiring colleagues, making this university a vibrant space where ideas flourish and learning never stops.

MR. JAMES SARUNGBAM

HOD, Hospitality & Tourism

The School of Hospitality and Tourism at MSU is a place where passion meets precision and dreams transform into extraordinary careers. Here, we don't just teach hospitality—we live it. Our commitment to crafting future leaders who will redefine the industry is reflected in our innovative "Earn and Learn" approach, providing students with practical opportunities to earn while they learn, during On-Job-Learning with Industry Partners. With strong industry partnerships and immersive internship opportunities, students are ready to make impactful contributions from day one. Through hands-on training and real-world experiences, we transform ambitious learners into confident professionals.

MR. NAWANG LAMA

HOD, Computer Science Engineering

The School of Computer Science & Engineering prepares industry-ready professionals through experiential, project-based learning. With a strong focus on AI, Cloud Computing, and Full Stack Development, students gain both theory and hands-on expertise. Through live projects, internships and industry collaborations, they learn by building real solutions. Guided by expert faculty and tech partners, we nurture innovators and problem-solvers ready to lead in the digital future.

MS. DIVYA PRADHAN

Assistant Professor, Pharmacy

The School of Pharmacy at Medhavi Skills University shapes future-ready professionals for clinical, industrial and research roles. With an industry-aligned curriculum combining scientific knowledge and hands-on learning through hospital training, lab practice and community programmes, students gain real-world experience and confidence. Supported by advanced labs and expert mentors, they develop as ethical skilled and innovative pharmacy professionals — ready to lead and transform healthcare.

Students Speak

Prateeksha Pradhan (BHHM, 5th Sem)

Studying Bachelor of Hotel and Hospitality Management at Medhavi Skills University has been a truly transformative experience for me. The skill-based curriculum and real-world exposure have helped me gain confidence and a deep understanding of the hospitality industry. With the constant support of expert faculty and access to modern facilities, I have developed strong professional skills that are preparing me to succeed in this dynamic field.

Inong Medina Tamut (BPT, 1st Sem)

My experience at Medhavi Skills University as a Bachelor of Physiotherapy student has been both inspiring and practical. The programme emphasises real-world application, where each lesson connects theory with hands-on experience. With the mentorship of expert faculty and a supportive learning environment, I am developing the confidence, technical skills and compassion essential to making a difference in the field of physiotherapy.

Prenisa Thakuri (B.Tech, 3rd Sem)

Being passionate about technology, I have always strived to improve my skills in programming, problem-solving, and innovation. Studying at Medhavi Skills University has given me valuable hands-on and industry-oriented learning experiences. It has encouraged me to think creatively, apply my knowledge to real-world projects, and grow into a skilled and responsible professional in the tech industry.

Aritra Ghosh (B Pharm, 1st Sem)

My journey at Medhavi Skills University as a Bachelor of Pharmacy student has been both inspiring and rewarding. The blend of practical training, modern facilities, and industry-focused learning has helped me understand how classroom concepts apply to real-world healthcare. With constant mentorship from skilled faculty, I am developing the knowledge, confidence and professional mindset needed to build a successful career in the pharmaceutical field.

Scholarship & Financial Aid

MSAT 2026: Your Gateway to Academic Excellence

Are you a bright and ambitious student ready to take the next step in your academic journey? Look no further than the Medhavi Scholarship and Aptitude Test (MSAT) 2026.

The Medhavi Scholarship and Aptitude Test (MSAT) is a gateway to academic excellence and financial support for bright young minds. Designed to identify and reward exceptional talent, MSAT offers a unique opportunity to showcase your abilities and secure a promising future.

Key Features of MSAT 2026:

Home-Based Online Testing:

Conveniently take the test from the comfort of your home.

Objective Format:

50 multiple-choice questions, each worth 1 mark.

No Negative Marking:

Attempt all questions without fear of penalty.

Time-Bound Assessment:

60 minutes to showcase your skills.

Waiver for Eligible Students:

If you have a valid scorecard for a relevant national or state-level test, you may be exempted from the written test. However, a paid application is still mandatory.

Nominal Application Fee:

A non-refundable fee of Rs. 1000/- secures your spot in MSAT 2026.

Comprehensive Evaluation:

The written test, combined with a personal interview, will determine your eligibility for MBA/BBA admissions.

Don't Miss This Opportunity to Shine!

Register for MSAT 2026 today and unlock a world of academic possibilities.
