

NEET SS 2024 Diploma Otorhinolaryngology ENT Paper3 Question Paper with Solutions

Time Allowed :3 Hours	Maximum Marks :100	Total Questions :10
-----------------------	--------------------	---------------------

General Instructions

Read the following instructions very carefully and strictly follow them:

1. The test is of 3 hours duration.
2. The question paper consists of 10 questions. The maximum marks are 100.
3. Each Question is of 10 marks.

1. a) Video-fluoroscopic swallow study.

1. b) Trans-nasal esophagoscopy.

2. Briefly outline the therapeutic options for management of intractable aspiration.

3. Outline the Cotton-Mayer staging of subglottic stenosis. What are the management options of paediatric subglottic stenosis grade 3 and grade 4?

4. Enumerate various causes of neonatal stridor. How will you manage a case of saccular cyst of larynx?

5. What is Zenker's diverticulum? What is the aetiology and management of such cases?

6. a) Surgical management of laryngomalacia in children failing conservative treatment.

6. b) The clinical anatomy of bronchus as visualized on bronchoscopy.

7. a) Stomal recurrence following total laryngectomy in a case of laryngeal carcinoma.

7. b) Paediatric tracheostomy.

8. Clearly differentiate between:

a) Laryngopharyngeal reflux and gastro-esophageal reflux.

8. b) Infantile and adult larynx.

9. a) Sulcus vocalis.

9. b) Reinke's oedema.

10. Briefly discuss the diagnosis and treatment of carcinoma esophagus.
