# Message from the Chairman, **Manoj Kohli**

As we graduate the Cohort of 2025, I couldn't be prouder. This year, we've pushed boundaries once again, expanding our global recognition, strengthening our venture ecosystem, and helping students step into some of the most dynamic roles in business today.

Here are some of my key highlights from this year:

- \* Earned prestigious memberships in leading global accreditation bodies - **AACSB, EFMD Global, and BSIS Label**, reinforcing our measurable impact and international quality standards.
- \* Won the **ET Excellence in Education Award** for Incubation & Startup Ecosystem (2025), and the **Institutional Excellence Award** at the 35th World Education Summit, Dubai. Pratham was also awarded the **BW Education Entrepreneur of the Year Award** alongside Pramath Raj Sinha (ISB, Ashoka), Ashok Chauhan (Amity) and Prof. Raj Kumar (OP Jindal).
- \* Students took on **senior strategic roles** this year with **23 placements** across Founder's Office, Chief of Staff, and EIR positions, including **11 Chief of Staff roles**. Our data enthusiasts also thrived, with **12 placements** in Data roles, including **5 as Data Scientists**.
- \* Another strong year in **Quick Commerce**. Companies such as Flipkart, Zomato, Blinkit, and Zepto together extended **39 offers** to our students.
- \* Masters' Union **ranks among the top Indian B-schools** in average CTC for the 2025 batch (**₹33.39 LPA**) and records the highest share of international offers in the country at **~20%**.
- \* **International and International Remote Placements soared to 30 offers** - more than all the IIMs combined.

Finally, I am the most excited about that fact that **~40 students chose entrepreneurship** rather than placements. This is critical is us reaching for a top 10 rank globally over the next few years.

# Message from the Director - Corporate Engagements, **Abhishek Kaul**

It's a proud moment for all of us at Masters' Union as we present the **Careers Report for the Cohort of 2025**. This report goes beyond numbers and placements as it reflects our ambition, our outcomes, and most importantly, the aspirations of our students taking flight, both in India and across the globe.

Our global presence reached new heights this year, with **30 international & remote placements** across key economic corridors, including the Middle East, Europe, and North America. The number of international offers generated surpassed those of IIM Ahmedabad, Bangalore, and Calcutta combined. **The average CTC for the international offers stood at ₹64 LPA.**

Supported by world-class faculty, global industry partnerships, and a strong international student community, our graduates are stepping into purpose-driven, cross-border roles that exemplify global readiness.

<p><b>₹33.39 LPA</b></p> <p>Average CTC for Cohort '25</p>	<p><b>&gt;80%</b></p> <p>Students securing advance placements - first salary credited before program end.</p>	<p><b>30</b></p> <p>International (13) &amp; remote (17) offers generated - higher than all Indian B Schools</p>
<p><b>4 Offers &gt; ₹1 Cr</b></p> <p>Marking strong compensation figures</p>	<p><b>₹54.80 LPA</b></p> <p>Average CTC for the Top 25% of the Cohort</p>	<p><b>64</b></p> <p>Total campus drives. <b>First international campus drive in Abu Dhabi leading to 8 offers</b></p>
<p><b>55 New Marquee Brands</b></p> <p>First time hiring at Masters' Union by global brands such as <b>Meta, DP World (Dubai), IHC (Abu Dhabi), Careem, American Express, Airtel, Salesforce</b> reflecting the strength and depth of our industry network</p>

- \* This placement report has been verified & audited by **Brickworks Analytics**, an auditor for the IIM Ahmedabad placement report as well.
- \* The next section includes the audited placement report for Masters' Union, followed by detailed breakdowns and analytical insights offering a comprehensive view of the career outcomes.

## IPRS Compliance

- \* The Placement Report complies with the **Indian Placement Reporting Standards (IPRS) Revision 2.2**. Please find the report as per IPRS standards in the appendix.
- \* The Indian Placement Reporting Standards (IPRS) is an initiative that aims to provide transparency and authenticity in placement reporting across B-schools, through the means of audited placement reports. Please visit the [IPRS website](#) to know more.
- \* In alignment with these standards, Masters' Union reports only those components that are clearly defined, contractually guaranteed, quantified, and confirmed by the recruiter, ensuring that every figure reflects actual offer details rather than estimations.
- \* As part of this approach, Masters' Union **does not include assumption driven & non cash components** often added by certain B-schools to student's salary figures. These include the following:
  - \* Laptop reimbursements
  - \* Assumed relocation allowances
  - \* Insurance premiums
  - \* Flexible benefit heads without defined amounts
  - \* Non-monetary perks

November 21, 2025

To  
The Director,  
Masters' Union School of Business,  
Gurugram- 122001

Dear Sir,

Re: **Audit of Final Placement Report for placements of Post Graduate Programme in Technology and Business Management (PGP TBM)- Cohort of 2025.**

We have audited the data related to remuneration, function & location as presented in the Placement Report prepared by The Masters' Union School of Business for the final placement of the Cohort of 2025 (based on the offers received on campus) for the batch of PGP TBM program of The Masters' Union School of Business.

The preparation of the Placement Report is the responsibility of Masters' Union School of Business. Our responsibility is to validate the information related to remuneration, function & location provided in the report with the relevant documentation and comment on the conformance of those with the Indian Placement Reporting Standards (IPRS) Revision 2.2.

In this context, we confirm the following:

1. For the purpose of the audit, we have obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary. In our opinion, the data related to remuneration, function & location as presented in the Placement Report complies with the Indian Placement Reporting Standards Revision 2.2.
2. The validation of information presented in the report is based on communication received by Masters' Union School of Business from recruiting companies. B2K Analytics (formerly known as Brickworks Analytics) has not independently sourced any information or documentation from the recruiters.
3. We have verified the information with respect to job location, function and remuneration presented in the report with communication received from recruiters by Masters' Union School of Business.
  - a. The information has been categorised as best as possible under different salary heads as given in the IPRS Revision 2.2; where a break-up was not available, the salary has been considered only as 'Maximum Earning Potential'.
  - b. The data points mentioned under different salary heads are representative of aggregate salary components offered to the candidates.
  - c. Stock Options/ESPP have been mentioned for some students with details on the amount to be vested in the first year. Hence, the corresponding amount has been considered for the calculation of the 'Maximum Earning Potential'. In absence of information on the vesting schedule, 25% of the ESOP value has been assumed to be vested in the first year of employment.
  - d. Long-Term benefits like ESOPs (vested after the first year), retention bonus and any other long-term benefit to be paid after the first year have not been considered for the calculation of 'Maximum Earning Potential'.

# Audited Placement Report

- e. We have considered the amount of gratuity in the calculation of MEP, as has been considered by the recruiters in their offers, even though it is payable after five years of continuous service, as this amount was not separately available for all the candidates.
  - f. It was noted that one-time cash payments, such as joining, retention or relocation bonuses, were granted only to certain students. Accordingly, the statistics for one-time cash payments have been calculated based solely on those students who received such payments.
  - g. The functions of 48 students could not be verified from the supporting documents. For 22 students, the offer letters were either unsigned or provided only as forwarded emails (i.e., emails received by the students and then forwarded to the institute). The institute has confirmed the employment details of these students through a written undertaking.
  - h. Due to the absence of location details in some offer letters or the determination of work locations post-joining, we were unable to verify the locations for certain students. Consequently, as per the institute's advice, students placed within India have been grouped under 'PAN India', while those placed internationally have been categorized by their respective countries.
4. The acceptance of offers and the number of students opting out of the placement process has been established through written communication by Masters' Union School of Business.
    - a. The opt-out forms of two students could not be verified. An undertaking for the same has been obtained by Masters' Union School of Business.
  5. The information in the Placement Report has been verified on the basis of the offer letters and copies of relevant emails from the recruiting companies which have been provided by Masters' Union School of Business to B2K Analytics. B2K Analytics has not separately verified the authenticity of such supporting documents.
  6. We have only audited the data related to remuneration, function & location in the Placement report and not the Overview section or any additional information presented in the report.

## Archit Bansal

**Manager - CEO's Office, Reliance Infrastructure**

UG College:  
**SGGSCC, Delhi University**

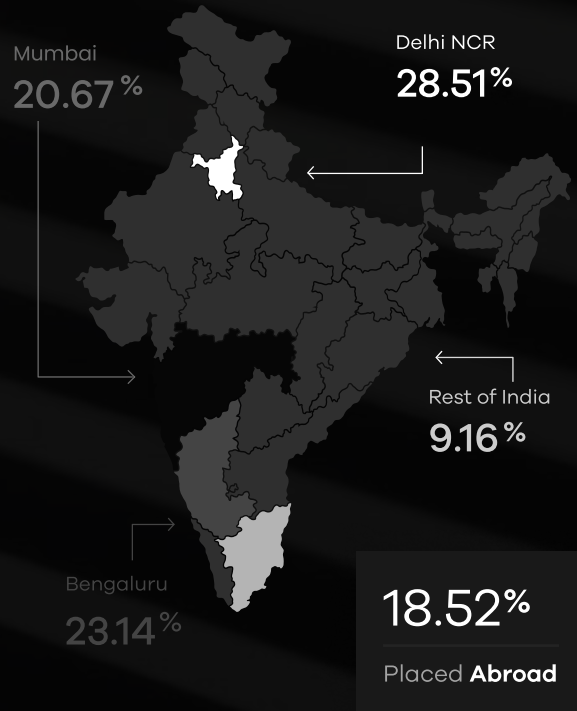

Previous Work Exp:  
**Senior Financial Analyst,  
TresVista Financial Services**

Masters' Union has been a defining chapter in my professional journey. Coming from a core finance background, the program helped me broaden my perspective beyond numbers. The opportunity to lead initiatives like the Masters' Union Investment Fund honed my strategic and decision-making skills. Today, at Reliance Infrastructure, I find myself applying those lessons daily, whether it's driving operational efficiency, supporting leadership strategy, or navigating complex business transformations.

## Salary Components

## Employment Location

### Karan Mulky

Client Solutions Manager, Meta

UG College:

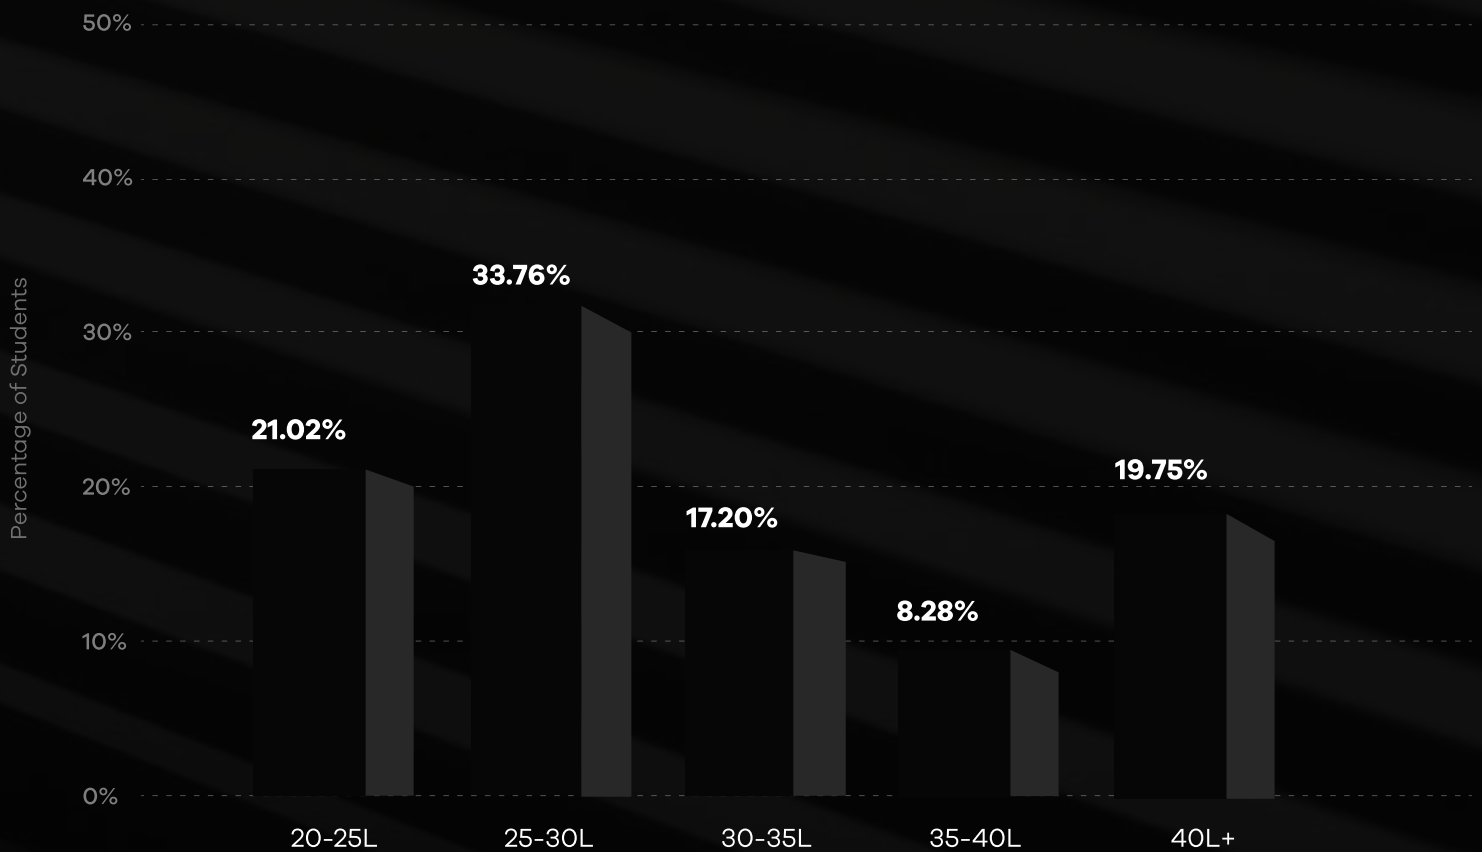

St. Joseph's College of Commerce

Previous Work Exp:

Group Head - Account Management, Dentsu Webchutney

Masters' Union elevated my skills in marketing, technology, and problem-solving — all of which helped secure my dream role at Meta. The FOCOS practicum gave us a structured approach to interview prep and equipped us with first-principles thinking. The support I've received from peers, faculty, and the placement team was fantastic throughout. The curriculum pushed me outside my comfort zone and helped me grow both professionally and personally. The exposure to real-world problem-solving and industry-led learning made all the difference. The network and mentorship I gained here continue to guide my career decisions. One transformational year at Masters' Union has given me a lifetime of learning.

# Salary Distribution

## Archit Bhargava

**Analyst, Avaana Capital (Venture Capital)**

UG College:  
Mithibai College

Previous Work Exp:  
Senior Associate, KPMG

The hands-on learning environment, combined with the Venture Capital and Investing program at Masters' Union, gave me a deep understanding of how funds operate, from sourcing deals to conducting due diligence and evaluating startups for long-term growth potential. The exposure to real investors and live investment committees helped me connect classroom concepts to real-world decision-making. Additionally, the mentorship from industry practitioners and access to the alumni network made the transition smoother and more purposeful. The program not only strengthened my analytical and financial acumen but also taught me how to identify scalable, impact-driven businesses. These experiences were instrumental in helping me secure my current role at Avaana Capital, one of India's leading climate-tech and sustainability-focused venture funds.

# Our Esteemed Recruiters

## Isheta Agrawal

### Project Consultant, Ernst & Young (EY)

UG College:

Dayal Singh College,  
Delhi University

Previous Work Exp:

Consultant - Finance,  
Grant Thornton

My journey to securing this job wouldn't have been possible without Masters' Union. The Placement Cell's support from CV building to mock interviews and networking opportunities was instrumental in preparing me for the recruitment process. Most importantly, the peer group pushed me to grow every day. Masters' Union didn't just help me land a job; it shaped me into a professional ready to thrive in any industry.

## Sourav Das

### Junior Consultant, Larsen & Toubro | Riyadh

UG College:

Vasavi College of  
Engineering

Previous Work Exp:

Application Engineer,  
Oracle

I had some of the best experiences of my life at Masters' Union, and to top it off, I secured an international placement from my college in Riyadh, Saudi Arabia. Masters' Union is not just a B-school; it's a place where students train and learn from real-world scenarios and problems, apply the theory, and as a result, become industry-ready professionals. I am grateful that I chose Masters' Union; it has catapulted my career to a higher level.

## Divesh Arora

### Management Trainee, Aditya Birla Capital

UG College:

Thapar Institute of  
Engineering and Technology

Previous Work Exp:

Digital Ad Sales Executive,  
Ventes Avenues

The behavioral handbook at Masters' Union played a key role in helping me crack the interview at Aditya Birla Capital. It covered a wide range of potential interview questions, which I practiced to build confidence and refine my answers. Additionally, a call with alumni working at Aditya Birla Capital gave me valuable insights into the company's expectations and culture. This comprehensive preparation ensured I was ready and confident for the interview.

## Yash Mehta

**Chief of Staff - Operations, Puffy | Dubai**

UG College:  
**Symbiosis Centre Of  
Management Studies**

Previous Work Exp:  
**Strategy Associate,  
Deutsche Bank**

Landing a global role in Dubai has been a life-changing milestone. At Masters' Union, the Careers team was relentless in their support, helping me refine my narrative, prepare strategically for interviews, and negotiate with confidence. The mentorship I received from industry leaders at BCG and McKinsey through the GetPrepped platform helped me think sharply and operate at a higher level. What truly differentiates Masters' Union is how seamlessly academics and real-world readiness come together.

## Rishie Prabhakaran

**Product Specialist - Analytics Department, Bloomberg**

UG College:  
**Narsee Monjee Institute  
of Management Studies**

Previous Work Exp:  
**Consultant, Protiviti**

My journey to prepare for the Bloomberg interview process was greatly supported by the structured and consistent preparation at Masters' Union. The multiple resume iterations, regular behavioral mock interviews, & personalized mentorship helped me develop a deeper understanding of my experiences and articulate them with clarity & confidence. This focus on introspection truly helped me dig deeper when answering behavioral questions, allowing me to display the depth & clarity of thought that Bloomberg was looking for.

## Lakshya Punjabi

**Management Trainee – Data Science & Business  
Analytics, American Express**

UG College:  
**Vellore Institute of  
Technology**

Previous Work Exp:  
**Senior Digital Engineer- I,  
Tata Digital**

Masters' Union played a pivotal role in helping me secure my role at American Express. The hands-on learning approach, industry-immersive curriculum, and constant exposure to real-world business problems significantly sharpened my analytical and problem-solving skills. Most importantly, the collaborative environment pushed me to think strategically and execute with precision skills that directly contributed to my success in the multi-round AMEX interview process.

## Ankita Saxena

**Manager, Credit Risk, Citibank**

UG College:  
**St. Joseph's Degree  
& PG College**

Previous Work Exp:  
**Senior Financial Analyst,  
Finac Plus**

Masters' Union broadened my perspective beyond spreadsheets and risk models to the strategic side of business. Real-world cases, live projects, and mentorship from industry leaders equipped me to think like a business partner rather than just an analyst. From running ventures to collaborating across finance, marketing, and operations, I learned to wear multiple hats — a skill that proved invaluable in transitioning into a managerial role in Structured Credit and Real Estate Underwriting at Citibank.

## Tushar Gauba

**Digital Product Manager, IndusInd Bank**

UG College:  
**Maharaja Agrasen  
Institute of Technology**

Previous Work Exp:  
**Authbridge, Associate  
Product Manager**

Masters' Union was instrumental in helping me secure the Product Manager role at IndusInd Bank. The Product Practicum gave me hands-on experience in solving real business problems, which directly translated into strong talking points during my interviews. The career team's proactiveness, from personalized mentorship to timely mock interviews, ensured I was fully prepared and aligned with the expectations of the BFSI product space.

## Kriti Gupta

**Merchandising Manager, Careem | Dubai**

UG College:  
**Amity University**

Previous Work Exp:  
**Storefront Merchandising  
Manager, Swiggy**

Masters' Union was instrumental in helping me secure my role at Careem. The Career Services team proactively shared my profile with Careem for a role they saw as a strong fit. From there, they supported me at every stage: organizing last-mile prep, mock interviews, and connecting me with alumni in E-commerce for real, actionable insights. They also facilitated smooth coordination with Careem's recruitment team, ensuring the process was seamless.

## Varun Makhija

### Product Manager, Service Now

UG College:

Visvesvaraya  
Technological University

Previous Work Exp:

Associate Product Manager,  
Nuclei

Masters' Union played a pivotal role in helping me secure my Product Manager role at ServiceNow. The caliber of opportunities sourced through the campus hiring process was exceptional. Beyond just access to top-tier roles, the preparation support was invaluable. The case practice and product practicums, guided by mentors like Gaurav Sahu and Aditya, significantly enhanced my problem-solving approach. Additionally, Gopika Ma'am's guidance in behavioral preparation proved to be a game-changer.

## Sidhanta Kumar Panigrahi

### General Manager - Business Development, Morphogenesis

UG College:

Kalinga Institute of  
Industrial Technology

Previous Work Exp:

Founder's Office,  
Sprouts.ai

Serving as the Student Council President at Masters' Union gave me a first-hand understanding of managing teams. Masters' Union helped me structure that energy into strategic execution and stakeholder management. The institution's immersive pedagogy, and exposure to real industry projects, helped me develop a 360° perspective on business growth. My transition to Morphogenesis has been a seamless extension of that learning.

## Kartik Sharma

### Senior Manager - Digital Marketing, JustDial

UG College:

Indian Maritime  
University

Previous Work Exp:

PPC Manager,  
Feel Good Contacts

Masters' Union turned my job hunt into a strategic campaign. The mock interview marathons with Career Services drilled me on case cracking, storytelling, and situational judgment, so when Justdial's panel fired questions, I answered on instinct. Courses in Marketing Analytics and Full-Funnel Growth gave me the vocabulary of CAC, LTV, and incrementality, while Statistics labs trained me to defend every insight with data. The Product Management sprints taught me to frame digital experiments and prioritise features.

## Ankit Sharma

**Business Analyst, Sirius International Holdings | Abu Dhabi**

UG College:

St. Joseph's Degree &  
PG College

Previous Work Exp:

Associate, Goldman Sachs

The immersive, hands-on learning approach and the mentorship I received from industry leaders at Masters' Union were instrumental in helping me transition seamlessly into a global role at Sirius International Holdings. I'm deeply grateful to Pratham Mittal, Abhishek Kaul, Bhupesh Manoharan, Saksham Kotiya, and the entire Masters' Union team for their constant guidance and support throughout this journey. Their mentorship helped me refine my analytical thinking, and strengthen my business fundamentals.

## Ashmita Malik

**Senior Associate, Alvarez & Marsal**

UG College:

Shaheed Sukhdev College  
Of Business Studies

Previous Work Exp:

Associate Consultant, EY

Masters' Union was instrumental in helping me pivot to strategy at A&M from my audit role at EY. The strong focus on learning through real-world business problems, and consulting workshops transformed the way I approached challenges. Continuous support from mentors and the placement team, especially in the form of mock interviews, resume reviews, and one-on-one guidance, helped me navigate the recruitment journey with clarity and confidence.

## Aashutosh Varakhedkar

**Expert - ESG, Trident Group**

UG College:

St. Joseph's Degree &  
PG College

Previous Work Exp:

Teacher of Physics,  
The Premia Academy

Masters' Union played a crucial role in helping me secure my position at Trident through campus placements. The program's emphasis on data-driven decision-making and real-world business problem-solving strengthened my analytical and structured thinking. The mentorship from Nandini Ma'am and Bhupesh Sir was particularly transformative. They pushed me to think critically and identify gaps with clarity. Masters' Union has truly been the launchpad for my transition into the ESG domain.

## Daksh Rastogi

**Lead, Partnerships, OneBanc**

UG College:  
Delhi University

Previous Work Exp:  
Analyst, McKinsey & Company

After five enriching years in consulting, I aspired to transition into a role that combined my client-facing experience with my growing interest in FinTech. Master's Union played a pivotal role in enabling this shift by offering the right exposure, mentorship, and industry connections, because of which I landed a Lead - Partnerships role at OneBanc. The program helped me identify and secure a role that perfectly blends strategy, technology, and finance, aligning seamlessly with my long-term career trajectory.

## Nimisha Dutta

**Program Manager, Blinkit**

UG College:  
Delhi University

Previous Work Exp:  
Assistant Manager -  
Social Strategy, KPMG

After five rewarding years in impact and management consulting, I was eager to transition into a dynamic, fast-paced environment. Master's Union played a crucial role in facilitating this shift, helping me find the right opportunity at Blinkit as a Growth Manager. Today, I'm leveraging my stakeholder management and leadership skills to lead cross-functional teams across my current portfolio, an experience that's been both challenging and deeply fulfilling.

## Darshan Vithlani

**Senior Data Scientist, Abdul Latif Jameel | Abu Dhabi**

UG College:  
Institute of Infrastructure Technology  
Research & Management

Previous Work Exp:  
Consultant - Data, KPMG

At Masters' Union, learning doesn't stop at theory. From working on One Day Challenges (ODC) with companies to learning directly from CXOs and masters, the program gave me a front row seat to how decisions are made in the real world. That experience helped me move into a role where I sit at the intersection of business and data, using insights to directly contribute to increasing profits. The course helped me build the right lens not just to analyse data, but to understand how it drives strategic outcomes.

## Kanishk Chaturvedi

**Data Scientist, Funder.ai | Abu Dhabi**

UG College:  
Reed College, US

Previous Work Exp:  
Associate ML Engineer, Delhivery

Master's Union opened international doors for me via consistent, committed and high quality placement preparation. Our Placement Director Mr. Abhishek Kaul personally went to the UAE and spoke to high ranking chairmen in the Gulf to ensure we get the top jobs there. I am sincerely grateful for Abhishek Sir's, and Gopika Ma'am's personal time given to my placement. I am also deeply thankful to the domestic and international excellent faculty at Masters' Union who made me capable enough to get the job.

## Jayesh Makkar

**Manager - SELL, Flipkart**

UG College:  
Vivekananda Institute of  
Professional Studies

Previous Work Exp:  
Digital Marketing  
Manager, Bobble AI

Masters' Union played a crucial role in helping me secure my on-campus placement at Flipkart as a Category Manager. The Careers Team guided me through every step, from refining my resume and preparing for interviews to connecting me with current Flipkart employees. The multiple mock interviews helped me present my profile with confidence and clarity. Moreover, the unique academic experiences at Masters' Union, such as the drop shipping course, added practical exposure that I could directly apply during my interviews.

## Sanidhya Sinha

**Program Manager, Zomato**

UG College:  
Manipal Institute  
of Technology

Previous Work Exp:  
Senior Data Science Analyst,  
Merkle

Their blend of Indian and Western pedagogies at Masters' Union taught me to think bigger, identify obstacles, and innovate effectively. The "learn by doing" approach transformed failures into stepping stones, with each hands-on project reinforcing essential lessons. Throughout industry projects, and case competitions, I developed analytical rigor, learned to communicate ideas succinctly. This transformative experience helped me gain the resilience and adaptability that truly stood out during recruitment.

## Malay Vashi

### Manager - Design Planning, Razorpay

UG College:

Narsee Monjee College of  
Commerce & Economics

Previous Work Exp:

CIB Analyst, JPMC

Bhupesh Sir's insight, that we uncover real problems only by listening to customers, stayed with me. Motivated by that, I explored the challenges Razorpay's users were facing and built a solution-oriented deck around my findings. I shared the deck with Pratham to receive his feedback and he was kind enough to share it with the team at Razorpay. I would not have landed this offer had it not been for the 2 of them and all our professors at Masters' Union whose lessons I was able to apply in the deck and my interviews.

## Puru Gupta

### Senior Manager I - Program Management, Zepto

UG College:

Panjab University

Previous Work Exp:

Associate Consultant, IQVIA

Masters' Union played a pivotal role in helping me secure the Program Manager role at Zepto. The hands-on, industry-relevant curriculum equipped me with a strong foundation in product thinking, and data analysis. Additionally, the constant mentorship and mock interview support from faculty and peers sharpened my communication and execution skills. The exposure to live startup environments through the Venture Initiation Program and various case competitions gave me a strong edge.

## Dhananjay Dev

### Chief of Staff - Founder's Office, The Souled Store

UG College:

National Institute of  
Fashion Technology

Previous Work Exp:

Deputy Manager, Aditya Birla  
Fashion Retail Group - Jaypore

I'm thrilled to share that I've secured a role at The Souled Store, and I owe a big part of this achievement to Masters' Union. The hands-on learning environment, and continuous mentorship played a crucial role in shaping my journey. I'm especially grateful to Simran Bhatia and Siddhartha Bal for their unwavering support, and timely guidance. From refining my approach to helping me prepare for every round, their involvement made all the difference.

I want to give a big shoutout to the Placement Team they've been incredibly supportive throughout my journey. I reached out to them multiple times, and every single time they helped me connect with the right individuals and opportunities. They were patient, kind, and truly understood my priorities and career goals. Whether it was guiding me through the application process, helping me refine my approach, or ensuring I got timely connects, the team went above and beyond to help me put my best foot forward. Their constant encouragement and responsiveness made a huge difference.

A special thank you to Jyoti and Jasleen Ma'am for helping me navigate the consulting space and for their continuous support in getting me placed at KPMG — couldn't have done it without them!

## Yashana Lalwani

**Management Trainee - Business , Flipkart**

UG College:

**University Of Mumbai**

As a fresher, winning Flipkart's Wired 8.0 case competition was a turning point for me, leading to a coveted PPI and eventual placement at Flipkart. Masters' Union's diverse and experienced cohort gave me valuable insights that strengthened my case-solving and interview prep. I strongly encourage every student to participate in case competitions not only for the challenge but also to connect with talented peers from other top B-schools. These interactions expand your perspective and open doors to new opportunities that are truly invaluable in the placement journey.

The hustle, the steep learning curve, and the invaluable exposure only accelerated during my tenure at Ather as Chief of Staff to the CEO. I took on several strategic projects, navigated through phases of multiple new product launches, and dealt with the shifting industry landscape amidst the updated government regulations. One of the highlights was being part of the small, core team that led Ather's BHP process, transforming it to a public company. After that particular phase of growth and learning, I took my next big leap by joining as a co-founder at Fitsol, a Climate Tech startup, where I now serve as the Chief Strategy Officer. A couple of quarters ago, we successfully closed our seed funding round. Looking back, I'm deeply grateful for the initiatives I was part of during my days at Masters' Union and for the opportunity to build my own tech startup after Masters' Union.

Upamanyu Chatterjee and Shouradeep Chakraborty, friends since kindergarten in Kolkata, spent months studying different problem areas before realising the scale of India's gaming retention gap. With hundreds of millions of casual gamers and churn rates as high as 98%, the need for a better solution was clear. They created PlaySuper, a rewards platform that helps studios retain players through real world incentives. Early validation came when a cold outreach to Ludo King's CMO led to his support as an advisor. PlaySuper was launched in April 2024 and quickly gained traction, raising \$200K by June, 2024 and a further \$350K later that year.

## Vansh Miglani, Shubham Khatri

PGP TBM 2024

As SeedsAI took shape through long hours inside NBFC offices, its early impact quickly drew investor attention. Shubham and Vansh built the product by observing frontline teams and refining it until it solved real operational gaps. The results were clear: faster audits, better collections, and more productive agents. These outcomes showed that the founders understood the lending workflow and were creating practical value. As word spread, investors began reaching out. This early traction helped them raise \$200K in pre-seed funding, giving SeedsAI the support to move beyond pilots and reinforcing confidence in their learning-first approach.

# Message from Associate Director, Career Prep, **Abhinav Arora**

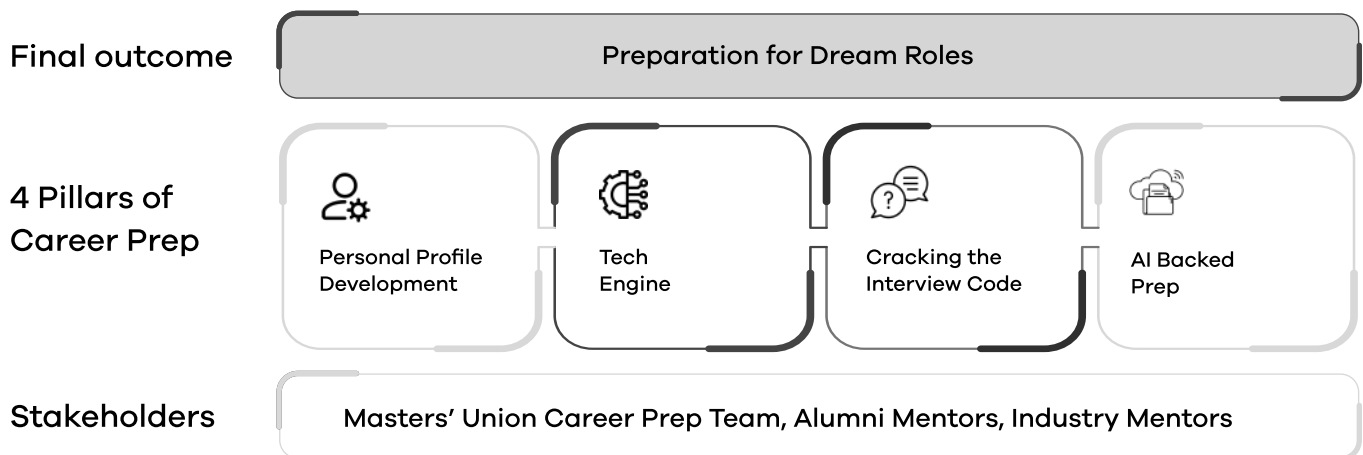

"At Masters' Union, our approach to career preparation goes beyond placements. It focuses on building clarity, confidence, and credibility. We understand that every student's journey is different, so the support system must be equally adaptive. Through rigorous academics, smart use of technology, strong industry engagement, and consistent mentorship, our Career Prep framework meets students where they are and guides them toward where they want to be. What follows is an overview of the core pillars and tools that power this journey."

## Career Prep - Building a Strong Foundation for Dream Roles

At Masters' Union, our approach to career preparation focuses on building clarity, confidence, and credibility. Our framework meets students where they are and guides them toward where they want to be. The outcome is a cohort of students who are fundamentally strong, fully prepared, and empowered to secure their dream roles and excel as high-impact professionals.

### Pillars of Career Prep

### 1. Professional Profile Development

#### A. Crafting Resumes

Resume Building at Masters' Union helps students craft industry-aligned, goal-driven resumes through expert guidance, ensuring every profile stands out and gets shortlisted.

#### B. LinkedIn Profile Optimization

LinkedIn Optimization empowers students to build goal-aligned profiles that highlight their strengths, attract recruiters, and expand visibility through strategic networking and meaningful engagement.

#### C. Video CV

We also enable students with AI-powered avatars, giving a polished, camera-ready way to put their best foot forward.

## D. Creative **Portfolios**

Portfolios enable students to design company-specific projects that mirror real brand experiences, showcasing their creativity, strategic thinking, and business acumen through immersive design and product storytelling.

## 2. Tech Engine For Career Readiness

### A. **GetPrepped**

GetPrepped is Masters' Union's dedicated mentorship platform, designed to give students direct, personalized access to industry veterans and alumni - whenever they need it, and for whatever they're working on.

### B. **Placement Readiness Score (PRS)**

PRS at Masters' Union gives students clarity and focus by benchmarking their preparedness and competitiveness across chosen domains, helping them track progress, identify growth areas, and gain greater visibility in placement opportunities.

### C. **LaunchPad**

An all-in-one interview prep platform that centralizes placement readiness, offering real-time company insights, curated playbooks, last-mile prep resources, and AI-powered tools to help students build standout resumes and ace interviews with precision.

## 3. Cracking the Interview Code

### A. **Practicums**

Short, high-impact learning modules designed to equip students with everything they need to succeed in interviews across functions and industries. Each practicum is built with one goal in mind: placement readiness.

### B. **Accountability and Mentorship (ANM) Program**

A mentor is mapped to a group of students and holds regular touchpoints, supported by a structured student tracker that allows mentors to monitor individual progress in real time and offer timely, targeted guidance.

### C. **LaunchPad**

An all-in-one interview prep platform that centralizes placement readiness, offering real-time company insights, curated playbooks, last-mile prep resources, and AI-powered tools to help students build standout resumes and ace interviews with precision.

## 4. AI Backed Prep

### A. **Generative AI Chatbots**

Masters' Union's AI-powered GPT suite enables self-paced prep in resume building and through realistic simulations and personalized feedback. From product and case interviews to behavioral rounds, each bot offers tailored practice and scoring.

### B. **InterviewAI**

Upcoming AI-powered mock interview simulator, built to help students prepare for real interviews across roles and companies. Through a dialogue-based format, it evaluates both technical and behavioral competencies. Each session concludes with detailed, AI-generated feedback, and tracks progress over time for continuous improvement.

"Representing Masters' Union at The Governance Challenge 2024 was a defining experience. Our team secured 1st place among 3,300+ teams nationwide for our solution "Aasaan h.AI," a conversational AI platform that leverages existing government databases to consolidate fragmented data and simplifies access to government welfare schemes, thereby driving financial inclusion. We had the honour of presenting our prototype to the Office of Chief Minister of UP, showcasing how technology can bridge governance gaps through accessibility and trust. MU's emphasis on innovation and critical thinking equipped us to approach this challenge with clarity and purpose, transforming an idea into a real, scalable solution for public good."

# What Our **Recruiters Say**

Hiring Tushar as a Digital Product Manager was our first engagement with Masters' Union, and it has been a very positive experience. From the start, Tushar has shown strong product sense, adaptability, and the ability to take ownership of complex projects. His contributions have not only added value to our digital initiatives but also reflected a maturity beyond his years of experience.

**Vinit Gupta**  
SVP - Product, IndusInd Bank

Karan has settled into his role as Client Solutions Manager remarkably well. The learning curve at Meta is steep, but his adaptability, drive, and eagerness to learn have allowed him to add value quickly. It's been great to see him grow in confidence and impact in such a short time.

**Raghav Bir Singh**  
Client Partner, Meta

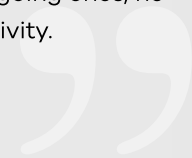

Badarinadh has been an excellent addition to our team. He quickly understood the business despite coming from different markets and has delivered critical projects with minimal support. His eagerness to learn, professionalism, solution-oriented approach, and strong stakeholder management have led to meaningful impact. He is a valuable team member and continues to grow in his role.

**Palakshee Chakraborty**  
Director, Strategic Accounts & Partnerships - MENA, Talabat

When Jas joined DP World earlier this year, we were looking for someone who could quickly adapt to the pace and scale of transformation we manage at the Group level. He not only adapted but also added fresh energy and perspective to our work. Whether it's structuring new initiatives or contributing to ongoing ones, he has shown a rare ability to balance rigor with creativity.

**Akash Shah**  
CEO & MSV Group CFO Office, DP World

# What Our Recruiters Say

Hiring from Masters' Union has been an exceptional experience for us at Blinkit/Zomato. The students bring a rare combination of strong business fundamentals, entrepreneurial drive, and real-world problem-solving skills. From the first round of interviews, we were impressed by their ability to think strategically and adapt quickly to the dynamic nature of our industry.

**Ayush Tyagi**

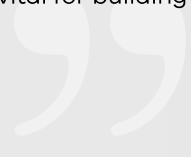

Assistant Manager - Talent Acquisition, Blinkit

Hiring the first two team members for our India office was a critical step for Careem's expansion, and we turned to Masters' Union to find talent that could shape our ambitious vision. From day one, both hires demonstrated agility, entrepreneurial mindset, and an exceptional ability to navigate ambiguity—qualities vital for building new markets from the ground up.

**Chase Lario**

VP - Global, Careem

We have all struggled in our early years to decide what professional field we should pick or how to build our careers. It's something that one cannot decide just by reading or knowing about career opportunities. We recently engaged with young minds from Masters' Union to fuel their curiosity about how we work as an org in the Indian EV space, build our products, and weave our culture.

**Rohith Hariharan**

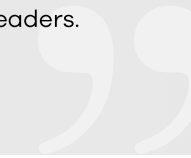

Head - Employer Branding, People Communications & People Experience, Ather Energy

The professionalism and global mindset displayed by the students were truly commendable. 14 students flew to Abu Dhabi to participate in the campus drive process, and we were thrilled to extend 7 offers. This experience not only underscored the high calibre of talent at Masters' Union but also reaffirmed our belief in the institution's ability to nurture globally relevant leaders.

**Ajay Bhatia**

Group CEO, Sirius International Holding

# Appendix - Detailed **Audited Report**

## **Overview**

The final placement cycle for the graduating cohort of the Post Graduate Programme in Technology and Business Management (PGP TBM) at Masters' Union has been completed, underscoring the Institute's growing reputation for academic rigour and industry confidence. The process was executed smoothly and drew strong interest from employers spanning multiple industries and global markets.

The strong outcomes achieved for the vast majority of the 234-student cohort speak to the exceptional talent within the batch, the depth of the Institute's corporate partnerships, and the effectiveness of its placement ecosystem in aligning capable graduates with high-potential career opportunities.

The average salary for the 2025 batch stood at ₹33.39 lakhs per annum. The highest salary stood at ₹1.28 crore, marking one of the most successful years in our institution's history.

## **Global Expansion**

Our global presence reached new heights this year, with 30 international placements across key economic corridors, including the Middle East, Europe, and North America. The average international salary for the batch stood at ₹64 lakhs per annum. The highest international salary stood at ₹1.10 crore.

Of these 30 international offers, 13 were full-time onsite roles across major hubs in the UAE and Saudi Arabia, including Dubai, Abu Dhabi, and Riyadh. The remaining 17 international roles were remote positions with global organisations reporting to senior leaders based internationally. This included 11 remote opportunities with companies based in North America and Canada, and 6 remote roles linked to leading corporates in the UAE.

We also conducted our first on-site international campus drive in Abu Dhabi this year, marking a significant milestone in our global recruitment efforts. 14 students travelled to Abu Dhabi to participate in the multi-stage interview process, and the recruiting organisation selected 7 of them for full-time roles across key functions, including finance, marketing, sales, and operations. This initiative not only strengthened our international employer relationships but also opened new pathways for future cohorts.

## **Top Industries & Functions**

This year also marked another strong performance in the quick-commerce and digital ecosystem. Leading players such as Flipkart, Zomato, Blinkit, and Zepto together extended 39 offers to our students. The demand for strategic leadership roles remained high, with 23 students stepping into senior positions across Founder's Office, Chief of Staff, and Entrepreneur-in-Residence roles, including 11 Chief of Staff appointments. Our data-focused talent continued to excel as well, securing 12 specialised roles in the data domain, with 5 students joining as Data Scientists.

#### Description of Salary Heads

- 1. Fixed Yearly Cash Component:** This is a total of the annual basic salary and additional guaranteed cash components. These additional components include cash payments and allowances that are part of the annual package. The term guaranteed signifies that the amount is certain unless there is an overall pay revision. The components falling under this salary head are final and are not related to performance.
- 2. One-time Cash Payment:** This head indicates the value of the remuneration given to a candidate as a one-time cash benefit, mostly at the time of joining.
- 3. Total Guaranteed Cash Component:** This is the sum of the fixed yearly cash component and the one-time cash component.
- 4. Maximum Earning Potential:** This is the sum of the total guaranteed cash component, maximum possible-linked variable pay and all other components of salary that are a part of the offer.
