CHAIRMAN'S MESSAGE

Dr. Prabir Pal

Founder & Chairman, RCM

Dr. Prabir Pal, the luminary founder of RCM, is a highly accomplished professional with a rich background spanning across 4 decades in both Industry and Academia. His expertise is honed through diverse experiences in Entrepreneurship, Investment Finance, Market Development in Agri-Business, and Consultancy.

As an esteemed Executive Board Member of the Association of Indian Management Schools (AIMS), Dr. Pal has been honored as a "Fellow AIMA" in New Delhi for his significant contributions to the field of Management Education.

Under Dr. Prabir Pal's exceptional leadership, the Regional College of Management (RCM) has risen to the pinnacle of B-School rankings, setting new standards of excellence.

At Regional College of Management (RCM), we believe in nurturing talent, fostering innovation, and empowering individuals to become leaders of tomorrow. In today's dynamic Business World, the demand is for leaders who not only drive organizational success but also chart a course towards social betterment.

Established in 1982, RCM has continuously adopted strategies to meet the evolving demands of the global business landscape and market shifts. Our Alumni, with their notable achievements, have paved the way for incoming students to confront emerging challenges with professionalism and unwavering dedication. With world-class infrastructure and a dedicated team of top-notch faculty, RCM is committed to excellence across all verticals of management education.

Accreditation & Memberships

Since its inception in the year 1982, Regional College of Management has won accolades and has been approved by various Accreditation Councils and Commissions, which has attested to the preeminent reputation of the institute globally. Tie up with multiple International Universities, research centres with global exchange of students for the ultimate international experience.

ABOUT THE INSTITUTE

Established in 1982, Regional College of Management (RCM) is the first Management College in Odisha set up in the heart of its capital, Bhubaneswar.

RCM offers MBA+, MCA+, MATA+ as Post Graduate programs and BBA+, BCA+ as Under Graduate programs. PGDM+ is the 2-years full-time flagship management program under RCM GLOBAL B-SCHOOL.

Enjoying 43 years of Legacy in Management education, with over 17680+ alumni working across the globe, RCM offers exemplary in-class and outside-class learning opportunity with world class Management Curriculum.

AS the 1st Management College in the state of Odisha, developing dynamic leadership has been at the core of all RCM's programs. The institute has nurtured over 17680+ potential individuals into future leaders who are currently influencing, creating impact and propelling growth.

To place our students locally and globally, we have a strong tie up with 620+ companies. Regular industry interface, case-based methodology, live projects, guest lectures, webinars, industry visits, presentations, over 82-placement training sessions and club activities prepare students to be future ready.

"Passion for Innovative Education" is not just a tagline but RCM's vision to become the global leader in the education industry.

The core strength of RCM is its intellectual capital of highly accomplished faculty. Our specialization courses on Data Science for Managers, Digital Marketing & Branding, Data Analytics, AI, Leadership & Action Planning, Strategy and Technology, Art of Persuasive Communication, HR Analytics, BI, Advanced Excel, Block chain Technology and many more, give our academic programs, truly the "PLUS Advantage" and a robust foundation in building students' key professional and management skills.

43 YEARS OF LEGACY

Crafting Careers for Decades

If you are doing anything in life that's not making your heart sing, that is not fulfilling your passion to spring from the bed, then you are not fulfilling your role on this planet. You do not have time to put off your dreams. It's now or never.

Be More. Be at RCM.

FACULTY AT RCM

RCM faculty adopt innovative methods both inside and outside the classroom to chart the growth of students and transform them.

It is not our hi-tech classrooms but brilliant pool of faculty that create all the difference.

INTELLECTUAL CAPITAL

With passion and dedication, the faculty utilise their excellent knowledge experience and skills to assist in enhancing a student's potential to the next level.

LEADING THE WAY

A team of highly qualified, dedicated, and experienced faculty members deeply engaged in education and research helps elevate the success factor for students. The faculty ensure effective understanding of fundamental concepts through direct contact with business leaders and industry experts.

THE HOUSE OF LEGENDS

Members of the RCM Community help each other succeed in college and throughout their Careers.

Our capability to make a difference comes from the power of our Alumni Network around the world. Our dedicated alumni provides support in developing our valued-added programs while opening doors to career opportunities for students, and supporting our faculty members in their research initiatives.

17680+ & GROWING

OUR ALUMNI AS MENTORS

Mentorship takes many forms, from serving as a class guest speaker or a panelist in an industry discussion to offering advice at a one-on-one coffee chat.

Our Alumni as Career Guides

Our alumni play an important role in helping students launch careers and pursue meaningful internships.

Alumni Association

Alumni pay regular visits to campus as guest speakers, attend RCM Alumni Association events, come forward to advise and mentor.

Hosting Students

Direct company engagement has always been a cornerstone of the RCM experience. Our vast alumni network carries this legacy forward year after year by hosting RCM students on transformative industry-focused global experiences.

RCM, Your Second Home

Once you are at RCM, 'the House of Legends', the campus becomes your second home, and your classmates, professors, and staff become your family. You can count on them to support and encourage you at every turn.

MBA+ PLUS ADVANTAGE

WORKSHOP, SEMINARS

At RCM, workshops, and seminars are conducted throughout the year. Experts from industry and academia are invited to deliver lectures to our students. Students are also encouraged to organize seminars & give presentations to improve their technical and presentation skills. Presenting in seminars hones their communication and presentation skills.

VALUE ADDED COURSES

Various value-added courses provided to students along with prescribed courses by Utkal University, truly give the leading edge + advantage to all the BBA+ students. The value added courses are a judicious mix of various trending subjects in leadership, operations, finance, marketing and IT to make students techno-leaders.

PLACEMENTS READINESS PROGRAM

RCM prepares students for placements and entrepreneurship. The PRP session constitutes of extensive 162 sessions which starts with i-reflection, identifying students core strengths, building fluency and articulation in Business English, group Discussion, Psychometric Test, Aptitude Preparation, dream Job, Goal setting, Mock Interviews, GDs, Resume Building, Presentation, etc.

INDUSTRY VISITS

Industrial visits help students gain insight into the real time scenario of manufacturing, marketing, sales, finance, HR and operations. It helps students to understand the functioning of the industry provide experience of the real working environment. This provides opportunity to interact with industrial experts and understand classroom theories.

LIVE PROJECTS

Students are exposed to the latest technologies while developing Projects at our world-class lab facilities at the Institute. Projects are mentored in various areas of technology like App development, web designing, and development, data mining, etc. This practical exposure helps them understand industry expectations and standards.

CLUB ACTIVITIES

Club activities help students develop a sense of unity and teamwork, learning how to work with others in reaching the same goals. It helps to gain knowledge, skills, and experience in leadership, strategizing, problem-solving, presentation, and public speaking communication through various activities and competitions.

PLACEMENTS

100% year on year placement with highest package of 10 lacs per annum. Several students get pre-placement offer (PPO) after completion of Internship by the end of 1st year itself. The institution's robust industry connections and dedicated placement cell facilitate a smooth transition from academia to the professional world.

DISTINGUISHED LECTURE SERIES

Distinguished lecture series are conducted in every semester. During the series, experts from different specialized fields of management and leadership interact with the students on the topics trending in the industry and society. Building Industrial Expertise at a global pace, we at RCM enhance techno-managerial skills to transform students into future leaders.

'PLUS' COURSES OF MBA+

Our 'Plus Courses' differentiate our job-ready MBA+ program with any regular MBA+ that numerous institutions offer. RCM is the first and only Management and Technical education institute in India offering Plus programs.

Our 'Plus Courses' help students gain the most innovative skills that industries currently demand. We offer these in-demand skills as 'certified' specializations to make our students future-ready. Here are some of the specializations that a student can choose from:

1. Workshop on Understanding Organisation

These workshops are designed to provide participants with insights into organizational behavior, culture, leadership styles, communication patterns, and decision-making processes.

2. Next Gen Leadership

This course encourages agility and resilience in the face of rapid change, aiming to drive sustainable growth & positive impact in organizations & communities alike.

3. Executive Grooming

This comprehensive program goes beyond traditional grooming tips, focusing on developing a polished and confident demeanor that aligns with executive expectations.

4. Workshop on Interpersonal Skills

This interactive session is designed to empower students with practical techniques to enhance communication, collaboration, and conflict resolution abilities.

5. Basic & Advance Excel

Students learn to create and format spreadsheets efficiently, use formulas and functions for data analysis, visualize data with charts and graphs.

6. High Impact Presentations

This workshop equips students with the strategies and techniques to deliver compelling and influential presentations with confidence.

7. 30-Model Case Studies

Case studies are meticulously administered to provide real-world scenarios, highlighting strategic decisions, challenges faced, and outcomes achieved by organizations globally.

8. Social Media Marketing

This workshop is designed to help students understand the latest trends, best practices, and strategies for creating content and engaging with the audience, on social media.

9. AI for Manager

Students learn how AI can enhance operational processes, optimize resource allocation, and unlock new growth opportunities.

10. Personal Growth Tracking & Psychometric Testing

Students gain clarity on their personality traits and emotional intelligence, empowering them to make informed decisions and achieve their goals with confidence.

11. Placement Readiness Module

This module focuses on enhancing the students' employability through practical training, personalized guidance, and hands-on experiences including mock GD & PI.

12. Leading Family Business

Students gain insights into effective leadership practices, navigating family dynamics, and balancing business objectives with family values.

13. Power BI and Google Suite

This workshop equips students with the skills to harness the capabilities of Power BI for visualizing and interpreting data stored in Google Workspace applications.

14. Field visit to showcase - Digital Governance & Applications and Best Practices

This hands-on experience offers students a firsthand look at how digital technologies are revolutionizing governance, service delivery, and citizen engagement.

15. Fintech & FMVA Certification

Students explore finance and technology, examining trends in digital banking, blockchain applications and AI-driven investments. Students earn the (FMVA) Certification, equipping them with advanced techniques.

16. Digital Media Marketing

This workshop provides practical insights and hands-on training to navigate the digital marketing landscape effectively and achieve marketing objectives.

17. AI & ML, Blockchain & Crypto

This specialization is ideal for students seeking to grasp the potential and practical

applications of AI & ML in automation and decision-making.

18. HR Analytics & Operations

In this specialization students learn how to utilize data analytics tools and techniques to measure employee performance, improve workforce planning, and drive organizational effectiveness.

19. Data Science and BI

This specialization covers the essential concepts and tools in both Data Science and BI, equipping students with practical skills to analyze data and communicate insights.

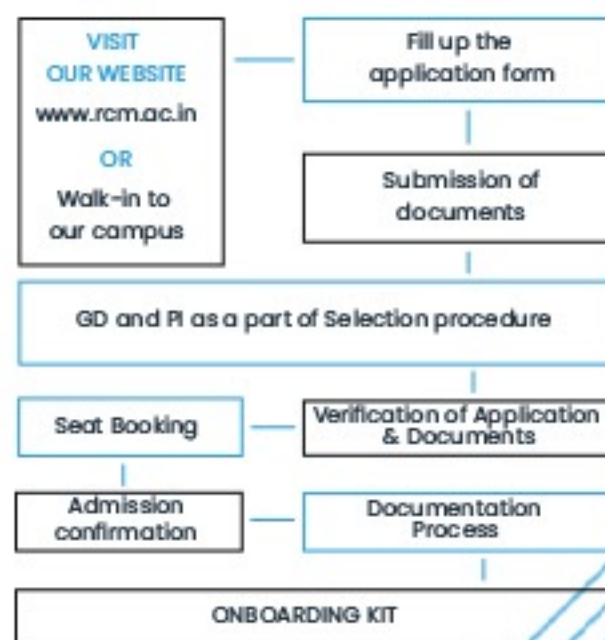

Please visit our website www.rcm.ac.in for the details on each of these specialization courses or scan the QR Code.

DEFINE YOUR CAREER WITH RCM

At RCM, we encourage our students to start preparing for their placements, the moment they enter the campus. This way, we prepare generations of leaders year after year!

Our graduates are job-ready within 6 to 7 months of joining. This is what sets our degree programs apart from the other similar programs offered by other institutes. From the first day our students join the program, mentors get associated with every single design of their career.

New breed of risk-takers, quick learners, and quick thinkers continue to lead the way as 'Vikshit Bharat' continuous to rise again. RCM is proud to nurture bold and visionary leaders by encouraging young people to think critically, innovate boldly, study passionately, and lead with enthusiasm, thus opening doors to a world of opportunities.

With 17680+ RCM Alumni holding top positions in the top organizations across the globe, we consider ourselves the builders of Global Thought Leaders.

CLUBS AT RCM

'VICTORS' THE SPORTS CLUB: The Club offers students the chance to take part in a range of sports and physical activities. Among the inter-college tournaments the Sports Committee organises are Chess, Volleyball, Box cricket, and badminton.

'STELLAR' THE CULTURAL CLUB: Through a medium of creative art and literary expressions, RCM's cultural club, also known as the "Stellar Club", aims to promote students' interest, involvement, and responsibility in Art & Culture. The idea is to involve the student community in social, cultural, and recreational activities giving an outlet to creativity and team work.

'CYBERNAUTS' THE IT CLUB: This IT Club drives technological innovation and excellence through hands-on projects and collaboration. The club encourages students to explore technical capabilities to thrive in the digital age!

'WELL-COMM' THE COMMUNICATIONS CLUB: At RCM, we understand the power of effective communication in today's fast-paced world. Well-Comm is a dynamic platform where students harness the power of words to connect, inspire, and influence. Whether you're passionate about public speaking, debate, journalism, or digital media, there's a place for you here.

'METAMORPHOSIS' THE HR CLUB: The club focuses on building awareness of frameworks and developments in the field of HR. To supplement academic learning, the club hosts leadership speeches, case studies, competitions, events, and quizzes. This allows students to address complex business problems from the standpoint of human resources.

'FINANZA' THE FINANCE CLUB: This club provides exposure to various facets of the financial world by providing several possibilities to broaden their understanding of finance and the business world from both a practical and technical standpoint. It guarantees students preparedness to deal with the intricacies of the financial world outside of school. The club hosts a variety of events, including quizzes, workshops, and competitions, on a variety of themes, including investment banking, risk management, private equity, portfolio management, fixed income, and other financial domains. It assists students in gaining a better grasp of the many job options accessible in the financial industry.

'RCM MART' THE MARKETING CLUB: This Club helps students apply their comprehensive understanding of marketing concepts through on-campus activities and industrial exposure. The club organizes marketing and branding-related events such as case study competitions and other activities that complement academic learning resources.

'CRAFT OPS' THE OPERATIONS CLUB: The Club aims to cultivate a vibrant community dedicated to advancing excellence and fostering innovation among tomorrow's leaders through interactive games & events in Operations.

DIRECTOR'S MESSAGE

Dr. Pritam Pal

Director, RCM, Bhubaneswar

Incubating Ideas. Driving Growth. Creating Leaders.

RCM is known for pioneering transformation in management and technical education.

Through our innovative BBA+ program, RCM cultivates globally competitive computing professionals, researchers, innovators, and entrepreneurs poised to shape and enrich our knowledge-based economy and society. Our distinguished faculty, driven students, and accomplished alumni are the architects of groundbreaking solutions, seamlessly integrating bold ideas with sharp analysis application.

I extend a very warm invitation to you to join our esteemed community of over 17,000 leaders. Together, let us embark on a journey of transformation, shaping the future of technology on a global scale.

We empower leaders to navigate the complexities of our world, driving forward business practices and fostering global economic growth. With a legacy spanning 43 years, RCM has consistently been at the forefront of leveraging data for informed decision-making and nurturing entrepreneurial endeavors that transcend boundaries. From being the first management institute in Odisha to pioneering research in alternative investments and neuro management, we continually push the boundaries of innovative education.

RCM's job-ready programs focus on practical skills, industry-relevant curriculum, and comprehensive training programs, ensuring that our graduates are well-prepared to meet the demands of the job market. This makes RCM a preferred destination for aspiring professionals who want to 'Be More'.
