ABOUT SGSU

Scope Global Skills University (SGSU) in Bhopal is revolutionizing higher education. We're bridging the gap between academia and industry by offering NSQF, NEP, and NCrF-aligned, skills-embedded programs. SGSU was established in 2023 under the UGC 2(F) Act and is a part of the AISECT Group, a leading education and skill development organization in India. Think hands-on learning, direct industry integration through our Centers of Excellence, and graduates equipped with the precise skills employers demand. We're building the future workforce, right here in Madhya Pradesh. SGSU will create industry-ready professionals by training students on industry-relevant skills with the help of industry experts at industry-grade labs and by providing practical industry exposure through internships and apprenticeships.

It offers undergraduate, postgraduate, and doctoral programs across a wide range of faculties, including Engineering and Technology Skills, Emerging Technologies, Information Technology and Future Skills, Management Studies, Banking, Finance and Commerce, Education and training, Fashion Technology and Interior Design, Medical and allied Sciences, Agriculture and allied Technologies, Mass Communication, Humanities and Liberal Arts, and Sustainable Development Studies.

KEY HIGHLIGHTS

We are committed to providing a transformative educational experience that goes beyond the classroom, enhancing critical thinking and practical skills essential for success in diverse fields. By combining academic excellence with practical skills, we want to enable them to find their way in the complexities of the modern world.

CHANCELLOR'S MESSAGE

Dr. Siddharth Chaturvedi

Chancellor, Scope Global Skills University

"Scope Global Skills University (SGSU) is Central India's first skills university that aims to create a cadre of professionals who are skilled enough to pave their own way through this dynamic & competitive world. The university provides world-class education with state-of-the-art facilities and infrastructure to inculcate in students both a unique set of skills as well as a genuine passion for creating a better tomorrow. Our faculties aim to provide a diverse curriculum of education to create the future leaders of this great nation. Our objective is to provide fertile ground for groundbreaking discoveries and collaboration among students, faculty, and industry partners. Through our close ties with the industry, we foster a creator's mindset empowering students to turn their ideas into impactful ventures and contribute to the economic and social development of our society. With a commitment to forward-thinking education, SGSU stands at the forefront of an academic and research revolution. At SGSU, we

are also offering several industry-first features for the modern-day student

At SGSU, we are also offering several industry-first features for modern-day student:

- Learn beyond classrooms-60% hands-on learning
- Earn while You learn' model of training
- Multiple Assured Placement Programmes
- Multiple Paid Internship Programmes
- NSQF-NCrF & NEP Aligned
- Industry ready curriculum
- Industry-led Center of Excellence
- International Student Exchange Programmes

I invite you to embark on an extraordinary journey of intellectual discovery and personal development at SGSU. Join our community of passionate learners, explore new frontiers, and make a lasting impact on the world. I look forward to welcoming you to SGSU and witnessing your remarkable journey unfold."
