Located in the heart of the city, the college provides an enriching learning environment that supports both academic excellence and personal development.

Fly high with Srinivas University
Institute of Aviation Studies,
where your dreams take flight!"

@srinivas_university_aviation

Our Story:

The Institute of Aviation Studies was established in 2017 under Srinivas University as part of the College of Management and Commerce. In 2020, it was named the College of Aviation Studies, and in 2022, it was upgraded and renamed as Institute of Aviation Studies. On 26th September, the Institute was relocated from the city campus at Pandeshwar to GHS Road Hampankatta.

Vision:

To be the leading institution in the region that provides value education especially in the aviation domain that can transform students who can be valuable human resource to the industry as well as society at large.

Mission:

To provide an education that can inspire and transform the knowledge seekers to be innovators who can cater to industry and social needs with their ethical behaviour.

Student Reviews.....

Mr. Abhishek N Kini
 BBA Aviation Management
 (Batch of 2022)

"Being a student at the Institute of Aviation Studies, Srinivas University, was a truly memorable and enriching experience. The faculty were always supportive and guided us in the right direction throughout our academic journey.

From the moment I entered the campus, I could feel a positive and welcoming vibe. My degree life here was unforgettable, filled with valuable lessons, personal growth, and cherished memories. Thank you, Srinivas University, for being a part of my journey."

Mr. Adhish S
 BBA Aviation and Logistics Management
 (Batch of 2024)

"Its a good institution for our better career and all the faculty taking class in a interactive way so any one can easily understand and they provide good facilities, sports and extracurricular activities."

Ms. Aishwarya Pundlik Magdum
 BBA Aviation Management (Batch of 2019)
 MBA Aviation Management (Batch of 2023)

"Five years at the Institute of Aviation Studies, Srinivas University have been nothing short of transformative. What began as my journey in BBA Aviation Management grew into a path of self-discovery and growth, continuing through my MBA.

Today I'm able to explore and excel in different aspects or domains of my career and that is because this institute has aided me in setting up a strong foundation to my career as well as to the person I am today. This Institute didn't just prepare me for a career but it prepared me for life. And for that, I will always be grateful to call myself an alumna of Institute of Aviation Studies."

Mr. Abdul Afraz Ali
 BBA Aviation and Logistics Management
 Batch of 2024

"Institute of Aviation Studies, Srinivas University is a great place to learn aviation with practical exposure, supportive faculty, and a good learning environment. It helps us gain industry knowledge and build confidence for our future in aviation . And also conduct extracurricular activities to the students to improve their confidence and knowledge throughout the year".

Ms. Raksha
 BBA Aviation Management
 (Batch of 2025)

"I'm a student of Institute of Aviation Studies

Srinivas University Institute of Aviation Studies is a good place for students who are interested about building a career in the aviation field. The college provides good infrastructure, clean classrooms, and supportive faculty who guide students well in both academics and practical learning. I feel the institute focuses on overall personality development through grooming sessions, communication training, and various events. I'm grateful for Opportunities I've had here."

Ms. Fathimath Shabna
 MBA Aviation Management
 Batch of 2023

"It was more than just earning an MBA, it was a journey filled with real world exposure and practical learning. The program gave us hands on knowledge and valuable internship opportunities, allowing us to understand the industry closely and gain confidence in our abilities, which became an important step toward my dream career.

I am truly grateful to our supportive faculty members for their constant guidance, and to our beloved Dean, who has been our backbone throughout this journey."

Ms. Janani
 BBA Aviation & Logistics Management
 (Batch of 2025)

"Srinivas University, Institute of aviation studies, It is one of the best college we got. The facilities offered in this college are helpful. Here they not only focus on education and also helps to build our confidence level. I am thankful to it."
