PhD Admission Brochure

**Session 2025-26
(January 2026 Intake)**

**Registration Fee (Non-Refundable)
for General: Rs. 1000/-
for SC/ ST: Rs. 500/-**

For Admission to PhD Programmes

¹ This brochure is for information only and does not constitute a legal document.

Fellowship / Scholarship

(Fellowship/ Scholarships are available to only Full Time research scholars.)

Sr. No.	Fellowship / Scholarship
1.	PhD Full-Time Teaching Assistantship (TA) and Research Assistantship (RA)
2.	PhD Full-Time (Under Institute Fellowship)
3.	UGC-NET (under any category)
4.	PhD (Full Time) with External Fellowships Like JRF/DST Inspire, Visvesvaraya etc.
5.	Krishna D Mahajan Doctoral Scholars Fund for Excellence in Research (Metallurgical & Materials Engineering)
6.	PhD (Full Time) for candidates/staff working under the Research projects sponsored by MHRD/DST/UGC or some other government agencies at PEC.
7.	The candidates who have completed their M.Tech/ M.E. degree through GATE are exempted from the institute PhD entrance test.

Note:

- 1. All the GATE qualified/ UGC NET award (under any category) are entitled for fellowship as per institute norms.**
- 2. For GATE qualified candidates, marks secured by a candidate in the GATE examination be equal or more than the cut off qualifying marks in its respective category.**

Punjab Engineering College (Deemed to be University), Chandigarh

Admission Notice

Admission to PhD Programmes

Online Applications are invited for admission to PhD Programmes in various disciplines as mentioned in **TABLE-1**. The important dates regarding admission related activities are mentioned in **TABLE-2**. Applications and relevant self attested documents may be submitted through the link on institute website <https://pec.ac.in/admissions/phd>. Hard copy of the registration form along with self- attested photocopies of the relevant documents and proof of payment of non-refundable registration fee of Rs. 1000/- or 500/- (as applicable) is also to be submitted to Chairman Admissions, Punjab Engineering College (Deemed to be University), Sector – 12, Chandigarh – 160012 by hand /registered post/ speed post on or before the prescribed date and time. The candidates applying for more than one discipline should submit separate print-outs of the online registration form for the additional discipline. **A candidate is permitted to apply for the maximum three disciplines only.**

TABLE-1
Area of Specialization and Qualifying Degree for PhD Admission for the session
2025-26 (January, 2026 Intake)

Sr. No	Department	Area of Specialization(s)	Qualifying Degree, eligible branches
1	Aerospace Engineering		• M.E./M.Tech. in Aerospace Engineering • M.E./M.Tech. in Aeronautical Engineering • M.E./M.Tech. in Structural Engineering • M.E./M.Tech. in Propulsion Engineering • M.E./M.Tech. in Avionics Engineering • M.E./M.Tech. in Rocketry Engineering • M.E./M.Tech. in Space Engineering • B.E./B.Tech. in Aerospace Engineering • B.E./B.Tech. in Aeronautical Engineering • Or Any Other Equivalent
2	Chemistry	• Waste water treatment • Organometallics • Synthetic Organic Chemistry (Natural	• M.Sc. in Chemistry • M.Sc. Applied Chemistry • M.Sc. Industrial Chemistry • M.Sc. Environmental Sciences

		Products and Heterocycles) • Green Chemistry • Ionic liquids • Metal oxide nanomaterials • Nano structures • Corrosion resistant materials • Chemosensors • Nano catalysis • Photo catalysis • Environmental Chemistry	• M.Tech./M.E in Chemical Engineering • M.Sc. Material Science • M.Tech./M.E in Environmental Engineering • M.Tech./M.E in Material Science And Engineering • M.Tech./M.E in Material and Metallurgical Engineering • M.Sc/M.Tech Biotechnology • M.Sc/M.Tech Polymer Technology • M.Sc Pharmaceutical Chemistry • Or Any Other Equivalent
3	Mathematics	• Algebra • Coding Theory • Computer Graphics • General Topology • Fuzzy Topology • Nano Topology • Rough Set Theory and Decision making • Operation Research • Multiobjective Optimization • Fuzzy Theory • Abstract Harmonic Analysis • Fractal Geometry • Operator Theory • Spectral Theory • Fixed Point Theory	• M.Sc. in Mathematics • Or Any Other Equivalent
4	Physics	• Ferroelectric and Piezoelectric materials • Relaxor ferroelectrics • Magneto Electric Composites • Multiferroics • Structure-property correlations • Magnetic Semiconductors • Electrochemical Energy Storage • Multifunctional Materials for Energy,	• M.Sc. in Physics • M.Sc. in Applied Physics • M.Sc. in Materials Science • M.Sc. in Energy Science • M.E./M.Tech. in Electronics • M.E./M.Tech. in Electronics & Communication Engineering • M.E./M.Tech. in Material Science • M.E./ M.Tech. in Materials and Metallurgical Engineering • B.E./B.Tech. in Engineering Physics • M.E./M.Tech. in Nanotechnology • B.E./B.Tech. in Electronics • B.E./B.Tech. in Electronics & Communication Engineering

		Environmental and Healthcare applications • Computational Studies of Thermoelectric materials • Hybrid functional materials and thin films for Energy and Biomedical Applications.	• B.E./B.Tech. in Material Science • B.E./B.Tech. in Materials and Metallurgical Engineering • B.E./B.Tech. in Nanotechnology • Or Any Other Equivalent
5	Civil Engineering	• Structural Engineering • Transportation Engineering • Water Resources Engineering • Environmental Engineering • Geotechnical Engineering • Construction Technology & Management • Remote Sensing and GIS	• M.E./M.Tech. in Civil Engineering • B.E./B.Tech. in Civil Engineering • Or Any Other Equivalent
6	Computer Science & Engineering	• Artificial Intelligence • Machine Learning • Soft Computing • Natural Language Processing • Speech Technology • Bio-Informatics • Wireless Sensor Networks • Networks & Security • Mobile & Adhoc Networks • Deep Learning • Medical Imaging • IOT & related areas • Software Engineering • Software Testing • Information retrieval • Prediction Algorithms • Cryptography • Data Analytics	• M.E./M.Tech./MSc. in Computer Engineering • M.E./M.Tech./MSc. in Computer Science • M.E./M.Tech./MSc. in Computer Science & Engineering • M.E./M.Tech./MSc. in Computer Science & Information Technology • M.E./M.Tech./MSc. in Computer Technology • M.E./M.Tech./MSc. in Information Technology • M.E./M.Tech./MSc. in Computer Science & Technology • M.E./M.Tech./MSc. Computer Science & Engineering (Artificial Intelligence) • M.E./M.Tech./MSc. Computer Science & Engineering (Machine Learning) • M.E./M.Tech./MSc. Computer Science & Engineering (Data

		• Fault-Tolerant Distributed Computing • Explainable Artificial Intelligence • Blockchain Technology • IOT • SDN • Wireless Communication • Network Security • AI & ML • VANET • Web Crawling • Dark Web and Deep Web • Latest Areas Related to Covid 19 • Automata Theory • Or any other equivalent or related area	- Science) • M.E./M.Tech./MSc. in Computer Science & Engineering (Cyber Security) • M.E./M.Tech./MSc. in Software Engineering • M.E./M.Tech./MSc. in Electrical & Electronics Engineering • M.E./M.Tech./MSc. in Electrical Engineering • M.E./M.Tech./MSc. in Electronics & Communication Engineering • MSc (CSE/IT) • MCA • MSc followed by M.Tech • MSc with NET (JRF)/GATE • MCA followed by M.Tech • MCA with NET (JRF)/GATE • B.E./B.Tech. in Computer Engineering • B.E./B.Tech. in Computer Science • B.E./B.Tech. in Computer Science & Engineering • B.E./B.Tech. in Computer Science & Information Technology • B.E./B.Tech. in Computer Technology • B.E./B.Tech. in Information Technology • B.E./B.Tech. in Computer Science & Technology • B.E./B.Tech. Computer Science & Engineering (Artificial Intelligence) • B.E./B.Tech. Computer Science & Engineering (Machine Learning) • B.E./B.Tech. Computer Science & Engineering (Data Science) • B.E./B.Tech. in Computer Science & Engineering (Cyber Security) • B.E./B.Tech. in Software Engineering • B.E./B.Tech. in Electrical and Electronics Engineering • B.E./B.Tech. in Electrical Engineering • B.E./B.Tech. in Electronics & Communication Engineering
--	--	---	--

7	Electrical Engineering	• Power System • Power Electronics • Control System • Renewable Energy System	• Or Any Other Equivalent • M.E./M.Tech. in Control Engineering • M.E./M.Tech. in Electrical & Electronics Engineering • M.E./M.Tech. in Electrical Engineering • M.E./M.Tech. in Instrumentation and Control Engineering • M.E./M.Tech. in Power Electronics and Drives • M.E./M.Tech. in Power System Engineering • M.E./M.Tech. in Systems and Control Engineering • M.E./M.Tech. in Power Apparatus and Systems • M.E./M.Tech. in Power System & Electric Drives • B.E./B. Tech. in Control Engineering • B.E./B. Tech. in Electrical & Electronics Engineering • B.E./B. Tech. in Electrical Engineering • B.E./B. TABLE-2: Important Dates

Admission Schedule for PhD Admissions 2025-26 (January, 2026 Intake)

Online Registration and uploading of self-attested documents	07.11.2025 to 25.11.2025 (Friday - Tuesday) (till 05.00 PM)
Last date for depositing hard copy of Registration Form along with supporting documents and proof of payment of registration fee	26.11.2025 (Wednesday) till 05:00 PM
Dispatch of Registration Form to various Departments	27.11.2025 (Thursday)
Publishing of final list of eligible candidates	03.12.2025 (Wednesday)
Entrance Test for non-GATE/ non-UGC-NET candidates (details will be uploaded on institute website)*	07.12.2025 (Sunday)
Selection of tentative topics, Interaction with perspective supervisors by the candidates along with filling of Annexure-III . Candidate has to submit filled Annexure-III in the department before interview.	08.12.2025 (Monday)
Interview in respective departments along with verification of documents (details will be uploaded on institute website) *	08.12.2025 (Monday)
Last date for Submission of Result to DAA	10.12.2025 (Wednesday)
Result intimation with waiting list	17.12.2025 (Wednesday)
Payment of fees (Online)	17.12.2025 to 21.12.2025 (Wednesday -Sunday)
Intimation to selected candidates (if any) from the waiting list on institute website	22.12.2025 (Monday)
Payment of fees (Online) by waitlisted candidates	22.12.2025 to 24.12.2025 (Monday-Wednesday)
Reporting of PhD students in the respective departments	05.01.2026 (Monday)

*The admission schedule may change according to the situation prevailing at that time, the candidates are advised to visit the institute website regularly.

Punjab Engineering College (Deemed to be University), Chandigarh

I. OBJECTIVE OF THE PhD PROGRAMME

Punjab Engineering College (Deemed to be University) has a mission to develop high quality science and engineering specialists having strong base in principles of science and the scientific methods, deep understanding of their chosen areas of specialization, motivation to learn continually, ability to interact with multi-disciplinary groups and to handle new challenges offered by the front-end technologies.

The PhD programme is designed to impart knowledge, consolidate concepts and intellectual skills through courses, seminars, projects, and thesis work. Above all, it helps the scholars to develop the capacity for free and objective enquiry, courage and integrity, awareness and sensitivity to the needs and aspirations of the society.

The programme provides the candidates an enabling research experience during their presence in the institute thus helping them to enter their professional life with right perspective and knowledge related to their respective fields of specialization.

II. Departments and Centres

The PhD Programme can be pursued in the following departments and Centres: -

1. Aerospace Engineering
2. Civil Engineering
3. Computer Science & Engineering
4. Chemistry
5. Electrical Engineering
6. Electronics and Communication Engineering
7. Mathematics
8. Mechanical Engineering
9. Metallurgical & Materials Engineering
10. Physics
11. Production and Industrial Engineering
12. Centre of Management and Humanities
13. Cyber Security Research Centre

The institute encourages inter-disciplinary research across various departments/centres.

III. Admission to PhD Programme

Admission to the PhD programmes is made on the basis of interview for candidates having GATE qualified/ UGC NET award (under any category) and on the basis of written test and interview for all other candidates by PhD Admission Committee of the respective Departments provided the candidate fulfils all the requirements at the Institute level and the selected candidate deposits the requisite fees for the PhD Programme. The applications received will be processed in the various departments for

interview.

The PhD admission committee of the department will consist of Head of the Department, Members of Departmental Research Committee (DRC) and potential supervisors in various areas.

IV. Categories of PhD Programme Admissions

The applicant for admission to the PhD programme shall be classified under any one of the following categories.

The research scholars shall be classified in the following manner

(A) On the basis of the time devoted to the PhD programme

- i) Full-time (ii) Part-time**

(B) On the basis of the occupation

- i) Teacher**, a person serving as the faculty of a department of a teaching institute.
- ii) Non-Teacher**, a person serving as non-teaching employee including officer cadre of any Institute/Department, Organization.
- iii) Project staff**, a person working on a project undertaken by the Institute (PEC).
The PhD programme of such a person should be related to the project work.

(C) On the basis of the country

- i) Indian**, a person holding valid Indian citizenship
- ii) Foreigner**, foreign nationals admitted through the Embassy of the respective Governments, after getting approval from the Ministry of External Affairs and 'No Objection Certificate' from the Ministry of Education, Government of India or admitted under an MoU. A foreign national can be admitted by the Institute directly, if eligible, following the admission process as specified under R-5 (PhD Rules & Guidelines (session 2022-23 onwards).

https://pec.ac.in/sites/default/files/2023-03/phd_2022-23.pdf.

(D) On the basis of the financial assistance

i) Sponsored

- a.** Research student/ Candidate working as a regular employee in the Institute
- b.** Research student/Candidate working as a regular employee in research organization like DRDO/ CSIR etc. and scientist/faculty working in the CRIKC institutes will be eligible for admission to PhD Programme as a Part-Time Scholar provided he/she is in continuous service for the last 2 years in the same organization and can provide a No objection certificate from the employer in the prescribed format (**Annexure-II**). The DRC has to ensure the fulfilment of these conditions at the time of interview.
- c.** A research student working in a project will have to undergo the same admission procedure as applicable in general. Research student / candidate working full-time in an R&D project in the institute can join as a full time student, if his PhD topic is

related to the project as certified by the SRC immediately after joining the project. Full time Junior Research Fellows (JRF) working under sponsored research project in PEC labs only be considered as full time research scholar from their date of joining the PhD program.

ii) Fellowship / Scholarship

Fellowship/ Scholarships are available to only Full Time research scholars.

1. PhD Full-Time (Teaching Assistantship (TA) and Research Assistantship (RA)
2. PhD Full-Time (Under Institute Fellowship)
3. PhD Full-Time UGC-NET (Under any category)
4. PhD (Full Time) with External Fellowships Like JRF/DST Inspire, Visvesvaraya etc.
5. PhD Full-Time Krishna D Mahajan Doctoral Scholars Fund for Excellence in Research (Metallurgical & Materials Engineering)
6. PhD (Full Time) for candidates/staff working under the Research projects sponsored by MHRD/DST/UGC or some other government agencies at PEC. The candidates who have completed their M.Tech/ M.E. degree through GATE are exempted from the institute PhD entrance test.

Note:

1. All the GATE qualified/ UGC NET award letter (under any category) are entitled for fellowship as per institute norms.
2. For GATE qualified candidates, marks secured by a candidate in the GATE examination be equal or more than the cut off qualifying marks in its respective category.

Depending on the number of applications received and considering the constraints of time and other resources for conducting Written Test and Interview, the Institute may put additional academic performance based shortlisting criterion.

V. Eligibility Criteria for Admission to PhD Programme

Educational Qualifications:

- a. The candidate possessing the prescribed qualifications shall be eligible for admission to the PhD programme of the Institute. The Degrees obtained through distance education programmes shall not be considered.

The academic programme as well as the Institute/University of qualifying degree must be recognized by AICTE /UGC. The academic programme of the autonomous Institutes established by the Parliament will not be required to have recognition of the UGC/AICTE. The degrees and academic programme of the Institute/University will be verified by the Departmental Admission Committee before registration of the candidate in PhD Programme.

- b. Minimum Qualification for Eligibility:**

A Master's Degree in Engineering/Technology/Sciences/Humanities and Social

Sciences/ Management or equivalent recognized by the Institute with a minimum Cumulative Grade Point Average (CGPA) of 6.0 on a 10-point scale or equivalent as determined by the Institute wherever letter grades are awarded in the qualifying degree, or 60% marks in aggregate where marks are awarded.

The candidate having Master's Degree must possess full time Bachelor's Degree or equivalent with a minimum CGPA of 6.0 on a 10-point scale or equivalent as determined by the Institute wherever letter grades are awarded in the qualifying degree, or 60% marks in aggregate where marks are awarded.

Note: The candidate having Master's Degree who have qualified any National/International Eligibility Test for PG/Ph.D. Program shall be given relaxation of 5% marks (0.5 CGPA on 10-point scale) either in UG or PG qualifying degree marks.

OR

Direct Admission of B.E./B.Tech. Candidates to PhD programme

- a)** To be eligible for the admission under this category, a candidate is required to have minimum CGPA of:
- i.** 8.0 (80%) or above with GATE or 8.5 (85%) or above without GATE for students graduated from PEC, CFTIs and other premium institutions at the end of the seventh semester (if applying during final year) under General category.
 - ii.** 8.0 (80%) or above with GATE or 8.5 (85%) or above without GATE for students graduated from PEC, CFTIs and other premium institutions at the end of the eighth semester (if applying after the completion of B.E./ B.Tech) under General category.
 - iii.** For SC/ST/PwD category students, the minimum CGPA requirement will be reduced by 0.5 (5%).
- b)** Successful candidates in final year of undergraduate programme may be given provisional admission to the PhD programme. This admission shall be confirmed provided the student completes his/her undergraduate programme with required CGPA or marks percentage.
- c)** Candidates from industry/research organisations are eligible for direct entry to PhD programme after BE/ B.Tech. with minimum CGPA 8.0 (80%) or above and with 5 years relevant experience. Candidates applying under this category is required to submit a **"No Objection Certificate" (Annexure-II)** on a proper letterhead from the appropriate authority of the organization.
- d)** Candidates getting direct entry to PhD programme after BE/ B.Tech will need to fulfil credit requirements through course work on pattern of courses offered to PG students and additional course requirements as per UGC.

Note: PhD Full-Time (Teaching Assistantship (TA) and Research Assistantship (RA) as per MHRD norms)

(a) A candidate, selected for the PhD Programme at PEC will be eligible for the financial support under the TA/RA category subject to the fulfilment of any one of the following three criteria:-

- (I)** M.Tech./M.E. or an equivalent degree as the qualifying degree,
- (II)** M.B.A (with B.Tech./ B.E. or equivalent degree) as the qualifying degree (only for Humanities),
- (III)** B.Tech./B.E./M.Sc./M.A./M.Com. or an equivalent degree as the qualifying Degree

A Master's Degree in Engineering/Technology/Sciences/Humanities and Social Sciences/ Management or equivalent recognized by the Institute with a minimum Cumulative Grade Point Average (CGPA) of 6.0 on a 10-point scale or equivalent as determined by the Institute wherever letter grades are awarded in the qualifying degree, or 60% marks in aggregate where marks are awarded.

The candidate having Master's Degree must possess full time Bachelor's Degree or equivalent with a minimum CGPA of 6.0 on a 10-point scale or equivalent as determined by the Institute wherever letter grades are awarded in the qualifying degree, or 60% marks in aggregate where marks are awarded.

AND

A GATE/JEST Qualified or a Junior Research fellowship (JRF) award from UGC/CSIR/NBHM/DBT/ or a National Eligibility Test /UGC NET including lectureship (Assistant Professorship)/Candidates with UGC-NET (Admission to Ph.D. only)/Candidates who qualifies the Institute's written test.

(b) A B.Tech./B.S./B.E. (or equivalent) degree from any IIT or NIT with a CGPA/CPI score of 8.00 (on 0-10 scale) and above is exempted from the mandatory requirement of qualified GATE. Candidates passed out from PEC and top 100 NIRF institutes are also eligible under this scheme with the same eligibility criterion as mentioned above. All such candidates have to qualify the entrance test conducted by the institute.

(c) The employee on roll (with or without pay) of any organization are not eligible for admission under this category.

- (d) Candidates possessing a qualified GATE or UGC-NET award (under any category) are exempted from the Ph.D. Admission Entrance Test. All other candidates are required to qualify the entrance test conducted by the Institute.
- (e) The maximum age limit for admission under this scheme is 30 years as on the last date of application to the Ph.D. program, with age relaxation applicable as per Government of India norms.
- (f) The order of preference for the award of the scholarship for the selected candidates shall be as follows:
- i. Candidates with a qualified GATE / UGC-NET (JRF) or CSIR (JRF) award.
 - ii. Candidates with a UGC-NET (Assistant Professor) award.
 - iii. Candidates with a UGC-NET (Admission to Ph.D. only) award.
 - iv. Candidates who qualifies the Institute's written test.

Additional Eligibility Conditions for Part-Time PhD Programme

- (i) **Permanent/Regular Employees** working in R&D Organisations, National Laboratories, Government Organizations, Industries, PSUs, State Undertakings having sufficient facilities to carry out research at their Organisation.
- (ii) **Regular faculty** of reputed Institute/University having sufficient facilities to carry out research at their place in the related research area.
- (iii) **Regular Employees** of PEC working in any Department/Centre, Centre and Section of the Institute.

All such candidates should have a minimum experience of two years which will be counted from the date of joining in the sponsoring organizations to the last date of application in the PhD programme. The candidate is required to produce the experience certificate at the time of interview before Departmental Admission Committee. Minimum qualification for these candidates is the same as for full- time candidates.

Part-time candidates are required to submit a “**No Objection Certificate**” (**Annexure-II**) on a proper letterhead from the appropriate authority of the organization clearly stating the following:

- That the candidate is permitted to pursue the PhD research work on a part-time basis.
- That the candidate's official duties permits the candidate to devote sufficient time for research work.
- That the facilities for the research work in the candidate's field of research work are available at the candidate's place of work.
- That the candidate will be sanctioned leave for sufficient duration for conduct of research work in case the research facilities are not available in the Institute/ Industry/Organization.

VI. RESERVATION/ RELAXATION

Reservation Norms

Reservation in full time/regular PhD seats in various categories will be made as per the norms of the Government of India amended from time to time. Such reservations in various categories will be implemented in all Departments/Centers on a rotational basis.

Relaxation of Eligibility for SC, ST, and PwD

For the SC/ST/PwD candidates, the eligibility requirement of marks/CGPA will be relaxed by 5%, or by a CGPA of 0.5 on a 10-point scale at both the Bachelor's and Master's level.

Exemption from written (entrance) Test

(a) Part-Time PhD programme:

Regular employees PEC and other R&D Organization, National Laboratories, Public/Private Industry/ PSUs/ State Undertakings having an MoU with PEC and with adequate research facilities possessing First Division or 6.0 CGPA on 10-point scale (60%) or equivalent at M.Tech./PG level with minimum 2 years of relevant experience will be exempted from the written test.

(b) Full-Time PhD Programme:

- GATE qualified or NET (under any category) from UGC, CSIR etc. qualified candidates will be exempted from the written test.
- The candidates who have completed their M.Tech/ M.E. degree through GATE are exempted from the institute PhD entrance test.
- The following UGC NET, qualified candidates are also exempted from the entrance test:
 - **Category 1:** Award of JRF and appointment as Assistant Professor.
 - **Category 2:** Appointment as Assistant Professor and admission to Ph.D.
 - **Category 3:** Admission to Ph.D. only.

Note: These candidates shall be required to appear before the Departmental PhD Admission Committee of respective department for interview/interaction and qualify as per the prescribed norms in terms of the eligibility conditions.

VII. ENTRANCE TEST

Applications for PhD Programme are to be invited from Indian and foreign nationals in the prescribed format. Applications as received will be scrutinized by the concerned Department/ Centre. After scrutiny, the list of all eligible candidates will be uploaded on the Institute website by the Admission Office.

- (a)** All eligible Non-GATE/ Non-NET candidates are required to appear in an objective type (MCQ) written test of PG level comprising two parts as mentioned below:

- **Paper-I²:** Research Methodology: 30 marks; Duration: 30 minutes
- **Paper-II:** Area of Research/Specialization: 60 marks; Duration: 60 minutes
Qualifying marks³: 50 % of total marks.

Syllabus of discipline paper-II will be standard GATE syllabus of application domain. The discipline for which GATE is not conducted the standard syllabus of UGC-NET exam in the application domain will be followed.

The written test is only for Non-GATE / Non-NET candidates. The written test will be conducted by the Admission Office. Detailed guidelines for conducting the entrance test along with timeline will be uploaded by Chairman Admissions on the institute website later.

- (b) List of the qualified candidates will be uploaded on the Institute website by the Admission Office.
- (c) All qualified candidates will be required to appear before the respective DRC for an interview/interaction comprising a brief presentation on the related research area. Qualified candidates may contact prospective supervisors in the Department/Centre.
- (d) DRC will evaluate the candidates and award the marks out of 30 (10 marks each for presentation, interview, and academic achievements).

Qualifying marks: 50% (15 out of 30 marks) ⁴

- (e) Based upon their performance in both written test and interaction/interview with DRC, Admission Committee of respective Department/ Centre will recommend the merit list of candidates prepared on the basis of total score out of 100 for Non-GATE/ Non-NET and out of 30 for GATE qualified/NET qualified candidates.
- (g) The order of preference for the award of the scholarship for the selected candidates shall be as follows:
 - i. Candidates with a qualified GATE / UGC-NET (JRF) or CSIR (JRF) award.
 - ii. Candidates with a UGC-NET (Assistant Professor) award.
 - iii. Candidates with a UGC-NET (Admission to Ph.D. only) award.
 - iv. Candidates who qualifies the Institute's written test.

Qualified scholars working in Govt./R&D Org./Industry sponsored project/fellowship are to be supervised by the coordinating faculty/ Principal Investigator (PI), provided the faculty/PI is eligible to become supervisor.

In case of tie, merit list will be prepared on the basis of following criteria in order of preference:

- a. Performance of the candidate in written entrance test

² Common to all Depts./Centres but different for circuital/ non-circuital branches

³ Relaxation as per the Govt. of India norms

⁴ Relaxation as per the Govt. of India norms

- b. Percentage of marks in qualifying degree
- c. Percentage of marks in 10+2
- d. Percentage of marks in 10th

VIII. Submission of Application form

Application for admission must be filled online (procedure for online registration is mentioned in para IX) and a copy of the filled registration form along with self-attested photocopies of the following documents must be uploaded at the time of online registration and also be sent to Chairman Admissions, Punjab Engineering College (Deemed to be University), Sector - 12, Chandigarh - 160012 on or before the closing date as mentioned in Table-2:

- I.** Date of Birth Certificate or 10th Marksheet
- II.** Copies of Bachelor's & Master's Degrees along with all semester marks sheets
- III.** UGC-NET Certificate (if applicable)
- IV.** GATE Score Card (if applicable)
- V.** Adhaar Card
- VI.** Migration Certificate [For candidates not having their Master's degree from Punjab Engineering College (Deemed to be University)]
- VII.** SC/ST Certificate (if applicable)
- VIII.** Persons with Disabilities certificate (if applicable)
- IX.** Undertaking for candidates whose result is not declared (**Annexure-I**)
- X.** Sponsorship/ NOC Certificate from current employer (**Annexure-II**)

NOTE:

- 1.** Reservation of seats for SC/ST/PwD candidates shall be provided as per Govt. of India norms applicable from time to time.
- 2.** The attendance of full-time PhD candidates will be governed by the attendance requirements of the Institute.
- 3.** Only the predetermined number of students may be admitted to a PhD programme.
- 4.** As per the provisions 1(5) of the UGC Regulations 2009, PhD program will not be conducted through distance education mode.

IX. Procedure for online Registration

Online Submission of application for Registration and uploading of self-attested photocopies of the documents on **<https://pec.ac.in/admissions/phd>**. Please read the general instructions carefully before starting the registration process. The candidates are required to pay payment of non- refundable registration fee of Rs. 1000/- or 500/- (as applicable) online. The details of online payment are to be filled during online registration.

The process of online registration consists of three steps.

Step 1:

- 1.1** Enter a valid email address and other personal details.
- 1.2** On submission, a system generated username & password will be displayed on the screen. Note down this username and password for future reference.

Step 2:

- 2.1.** Enter the academic qualifications.
- 2.2.** The candidate then has to upload the scanned images of Photograph and Signature.
- 2.3.** All Scanned images should be jpg/jpeg format only.
- 2.4.** Size of the photograph image must be greater than 4 kb and less than 200 kb.
The photograph should preferably have the frontal face with a light background.
- 2.5.** Size of the signature image must be greater than 4 kb and less than 100 kb.
- 2.6.** Dimension of photograph image should be 200x150(height x width) pixels only.
- 2.7.** Dimension of signature image should be 100 x 200 (height x width) pixels only.
- 2.8.** Provide GATE/ NET Score, Validity and Qualifying Category, if UGC-NET (JRF) Qualified.
- 2.9.** The candidates have to select their choices of area of specialization in order of their preference.
- 2.10.** Mention number of papers published and awards and scholarship won, if any.
- 2.11.** Mention any other relevant information.
- 2.12.** Upload self-attested 10th Mark Sheet / Date of Birth, 12th Mark Sheet, UG Degree and DMCs, PG Degree and DMCs (if applicable), Caste Certificate (if applicable) and Aadhaar Card copies.
- 2.13.** After successful completion of the registration form and choice filling, a confirmation page will be generated.

Step 3: The candidates are required to pay the registration fee using the online payment option.

Step 4:

- 4.1** The candidates are advised to take 2 printouts of the confirmation page and send one copy of print-out along with documents to following address by hand/speed post/registered post so as to reach by the prescribed date.

Chairman Admissions, Punjab Engineering College (Deemed to be University)

Sector-12, Chandigarh - 160012

- 4.2 The institute will not be responsible for any delay in the receipt of hard copy of the Registration Form.
- 4.3 The candidates are advised to keep one copy of the confirmation page with them for future reference.

X. GENERAL INSTRUCTIONS

1. Separate Registration form along with all enclosures should be sent for each department if applying for more than one department to the Office of Chairman Admissions.
2. The Registration Fee is to be deposited through the online payment option provided on the portal.
3. Self-attested copies of relevant documents/ certificates are to be enclosed.
4. Candidates should bring original certificates along with the Master's Thesis at the time of interview/ interaction.
5. Duly filled Registration form must reach the Chairman Admissions, Punjab Engineering College (Deemed to be University), Sector – 12, Chandigarh – 160012 on or before the due date.
6. Name of the department in which the admission is sought should be **super- scribed on the envelope**.
7. In case result of qualifying degree is awaited, provisional admission is permitted to the candidate subject to meeting the above qualifying degree requirement latest by **January 30, 2026**. A certificate from the head of current institute to that effect should be submitted during document verification.
8. **Cancellation due to non-fulfilment of essential requirements:**
If a candidate fails to satisfy the prescribed minimum educational qualifications, her/his allotted seat shall automatically stand cancelled. Candidate, for whom the result of qualifying degree is awaited, can take part in counselling process. However, they have to produce a course completion certificate duly signed by Head of the Institute at the time of the reporting. If any admitted candidate, whose result was awaited at the time of reporting, is not able to submit her/his qualifying degree certificate and marks sheet by **January 30, 2026**, her/his admission shall automatically stand cancelled and refund of any fee will be done as per the institute norms.

XI DOCUMENTS TO BE PRODUCED DURING PHYSICAL REPORTING ALONG WITH TWO SETS OF SELF ATTESTED PHOTOCOPIES:

- i. Printout of the Registration form

• Total Payable at the time of admission (for full time regular students) is Rs. 33,500/- • Total payable at the time of admission (for part time students) Rs. 44,500/-	

Every component of fees is subject to revision by Punjab Engineering College (Deemed to be University), Chandigarh from time to time without any prior notice.

Tuition fees will be raised by at most 10% every year.

UNDERTAKING FOR CANDIDATES WHOSE RESULT IS NOT DECLARED

I hereby certify in connection with the application of Mr./Ms. _____
_____ that he/she is a
bonafide student of our institution and is applying for admission to PhD programme(s) at
Punjab Engineering College (Deemed to be University), Chandigarh. He/She has
completed/ will complete the requirements of qualifying examination including theory
papers, practical and project/dissertation examination for M.E./M.Tech./M.Sc./M.A. by
January 30, 2026.

(Strike out the non-applicable ones and write in the blank space if the degree is not mentioned).

The percentage of aggregate marks/CGPA obtained by him/her upto pre-final
Semester/year examination (Strike out the non-applicable) is_____.
His/her conduct and character during his/her stay at the Institute/University has been
"GOOD".

Place:

Date:

Signature of Principal/Dean/Registrar/

Dy.Registrar/Proctor/Administrative Officer of the
institute attending/last attended with seal

FORMAT FOR CERTIFICATE OF SPONSORSHIP FOR NOMINEES

Certified that _____ son/daughter of
Shri _____ has been working
as _____ (e.g. Engineer/Teacher) on regular full time basis
in _____ (Department/Organization)
since _____ (date). His/ Her provident fund account no. is
_____. The officer/ official is permitted to pursue higher studies on full-
time/ part-time basis. The officer/ official will be granted leave as per requirement for
the period of study.

He/She is hereby sponsored for admission to PhD Programme in*
_____ at Punjab Engineering College (Deemed to be
University), Chandigarh for the session _____. In case he/she is selected
for admission, he/she will be relieved from his/her duty and allowed to join the classes
for full duration of the said programme.

If he/she leaves this Department/Organization during his/her period of study, Punjab
Engineering College (Deemed to be University) will be informed accordingly to cancel
his/her admission.

Further certified that he/she shall continue to be an employee of this
Department/Organization and shall join back his/her duties after completing the
programme. Certified that this institute is approved by AICTE (*only for an educational
Institute*).

Date: _____ (Signature & Seal of the employer)

*Both the branch and the department should be mentioned.
