Admissions and Scholarship Panel
Future Leaders MBA Scholarship, Example Business School

Dear Selection Panel,

I am applying for the Future Leaders MBA Scholarship at Example Business School for the 2026 intake. The scholarship's emphasis on candidates who drive social impact through business reflects exactly the career I am building, and I am excited to make my case.

Over the past five years I have worked in operations at a logistics startup, rising from analyst to regional manager and leading a team of 22. I redesigned our last-mile delivery network, cutting costs by 18% while creating 40 new jobs in smaller towns. Alongside work, I co-founded a weekend programme that has trained over 300 young people in basic digital and financial skills.

An MBA at Example Business School will give me the strategic and financial grounding to scale social enterprises, and its strong network in impact investing is unmatched. The Future Leaders Scholarship would remove the financial barrier of an international MBA and let me contribute actively to the school's Social Impact Club.

Coming from a middle-income family, self-funding a two-year MBA abroad is not feasible, and this award would be transformative. In return, I will bring proven leadership, a global outlook, and a lasting commitment to using business as a force for good.

Thank you for your time and consideration. I would be honoured to represent the values of this scholarship and to give back to the Example Business School community.

Yours sincerely,
Rahul Mehta
