

The SAT Score Report

A Case Study: Sample SAT Score Report

Take a look at the sample score report below and on the next page. Use the corresponding information to help you interpret your student's SAT score report.

1 What are Camila's scores?

Camila's Reading and Writing score is 620, and her Math score is 500, for a total score of 1120.

Below her individual scores, she can see a score range, which shows the range of scores she might expect to get if she took the SAT multiple times. Camila can also see an average score of all testers in any grade who have taken the SAT in the last three years.

2 What are Camila's score percentiles?

Camila is in 11th grade, but the percentiles compare her scores with those of all SAT testers in the 12th grade from the last three years, including all SAT Weekend and SAT School Day administrations. Camila scored as well as or better in Reading and Writing than 60% of all 12th-grade students testing worldwide. In Math, she scored as well as or better than 70% of a globally representative group of 12th-grade students testing worldwide. Putting both scores together, Camila scored as well as or better than 75% of students in her grade on the SAT as a whole.

3 What can Camila learn from this Knowledge and Skills section?

This section shows Camila a graphical progress bar in each of the eight content domains measured on the SAT. The filled-in part of each progress bar represents Camila's level of mastery in that content domain, not her actual score. Under each content domain, Camila can also see what percentage of the test and number of questions cover that domain.

The Performance range below each filled section shows Camila's score band for that domain. For more information about content domains, visit satsuite.collegeboard.org/practice/content-domains.
