11. Explain briefly any three functions performed by a supervisor.

12. Somnath Ltd. is engaged in the business of export of garments. In the past, the performance of the company had been upto the expectations. In line with the latest technology, the company decided to upgrade its machinery. For this, the Finance Manager, Dalmia estimated the amount of funds required and the timings. This will help the company in linking the investment and the financing decisions on a continuous basis. Dalmia therefore, began with the preparation of a sales forecast for the next four years. He also collected the relevant data about the profit estimates in the coming years. By doing this, he wanted to be sure about the availability of funds from the internal sources of the business. For the remaining funds he is trying to find out alternative sources from outside.

Identify the financial concept discussed in the above para. Also state the objectives to be achieved by the use of financial concept, so identified.

13. Ginika, Tanish and Rohit were friends from college days and now they are doing different kinds of business. They regularly meet and discuss their business ideas and exchange notes on customer satisfaction, marketing efforts, product designing, selling techniques, social concerns etc.

In one of such meetings, Ginika drew the attention of Tanish and Rohit towards the exploitation of consumers. She told that most of the sellers were exploiting the consumers in various ways and were not paying attention towards the social, ethical and ecological aspects of marketing, whereas she was not doing so.

Tanish told that they were under pressure to satisfy the consumers, but stated that the consumers would not buy or not buy enough unless they were adequately convinced and motivated for the same.

Rohit stressed that a company cannot achieve its objectives without understanding the needs of the customers. It was the duty of the businessmen to keep consumer satisfaction in mind because business is run by the resources made available to them by the society. He further stated that he himself was taking into consideration the needs of the customers.

Identify the various types of thinking that guided Ginika, Tanish and Rohit in the marketing efforts of their business. Also, state one more feature of the various types of thinking identified that is not given in the above para.

14. Ashutosh Goenka was working in 'Axe Ltd.', a company manufacturing air purifiers. He found that the profits had started declining from the last six months. Profit has an implication for the survival of the firm, so he analysed the business environment to find out the reasons for this decline.

(a) Identify the level of management at which Ashutosh Goenka was working.

(b) State three other functions being performed by Ashutosh Goenka.

15. Sanchit, after completing his entrepreneurship course from Sweden returned to India and started a coffee shop 'AromaCoffeeCan' in a famous mall in New Delhi. The speciality of the coffee shop was the special aroma of coffee and a wide variety of flavours to choose from. Somehow, the business was neither profitable nor popular. Sanchit was keen to find out the reason. He appointed Sandhya, an MBA from a reputed college, as a Manager to find out the causes for the same.

Sandhya took feedback from the clients and found out that though they loved the special unique aroma of coffee but were not happy with the long waiting time being taken to process the order. She analysed and found out that there were many unnecessary obstructions in between which could be eliminated. She fixed a standard time for processing the order.

She also realised that there were some flavours whose demand was not enough. So, she also decided to stop the sale of such flavours. As a result with in a short period Sandhya was able to attract the customers.

Identify and explain any two techniques of scientific management used by Sandhya to solve the problem.

16. Give the meaning of 'objectives' and 'budget' as types of plans.

17. Explain briefly 'transfers' and 'promotions' as internal sources of recruitment.

18. These days, the development of a country is also judged by its system of transferring finance from the sector where it is in surplus to the sector where it is needed most. To give strength to the economy, SEBI is undertaking measures to develop the capital market. In addition to this there is another market in which unsecured and short-term debt instruments are actively traded everyday. These markets together help the savers and investors in directing the available funds into their most productive investment opportunity.

(a) Name the function being performed by the market in the above case.

(b) Also, explain briefly three other functions performed by this market.

19. Umang Gupta is the Managing Director of Denver Ltd. The company had established a good name for itself and had been doing well. It was known for timely completion of orders. The Production Manager, Ms. Kanta was efficiently handling the processing of orders and had a team of fourteen motivated employees working under her. Everything was going on well. Unfortunately she met with an accident. Umang knew that in the absence of Ms. Kanta, the company may not be able to meet the deadlines. He also knew that not meeting the deadlines may lead to customer dissatisfaction with the risk of loss of business and goodwill. So, he had a meeting with his employees in which accurate and speedy processing of orders was planned. Everybody agreed to work as team because the behaviour of Umang Gupta was positive towards the employees of the organisation. Hence everyone put in extra time and efforts and the targets were met on time.

Not only this, Umang visited Ms. Kanta and advised her to take sufficient rest.

(a) Identify the leadership style of Umang Gupta and draw a diagram depicting the style.

(b) State any two values highlighted by the behaviour of Umang Gupta.

20. Metlapp Networks and Technologies Ltd. is a leader in technology innovation in the United States, creating products and solutions for connecting the world. It has a large research and development team which invented the first smart watch, named as W-7. The watch besides showing the time, also monitors few health parameters like heart beat, blood pressure etc.

While in search of markets abroad, the company found that in India, the reform process was underway with the aim of accelerating the pace of economic growth. The company decided to take advantage of simplified export procedure and removal of quantitative as well as tariff restrictions in India.

It set up its office in Jamnagar with a view to capture the Indian market. In a short span of time, the company emerged as a market leader. Success of the company attracted many other players to enter the market. Competition resulted in reduction in prices, thereby benefiting the customers.

(a) In the above paragraph, two major concepts related to government policy have been discussed. Identify and explain these concepts.

(b) Also, explain briefly any three impacts of these concepts on Indian business and industry.

21. State the steps in the process of controlling.

22. Indian Youth Organisation (IYO) organised a visit of its members to an old age home to inculcate the habit of social work among them. The visit revealed that the living conditions of the inmates of the old age home were not hygienic. So, the IYO members decided to clean the premises. During their cleanliness drive, they realised that the old age home also required pest control. But some of the inmates of old age home were reluctant for it because they believed that the pest control may create health problems for them. IYO, therefore decided to provide ethical, safe and odourless pest control. They showed to the inmates of old age home a pamphlet of the proposed pest control product which promised easy, inexpensive and long lasting pest control. The inmates happily agreed and the pest control was carried out. It worked for a fortnight but to their dismay the effect started wearing off. IYO contacted the pest control company which kept on postponing their visit. After waiting for a month, IYO filed a case in the consumer court.

The consumer court was satisfied about the genuineness of the complaint and issued necessary directions to the pest control company.

(a) State any six directions that might have been issued by the court.

(b) Also identify any two values that are being communicated by IYO to the society.

23. Aman Chadha started 'Bulls Eye' a company for providing cyber security solutions to businesses. Its objective is to prevent, detect and respond to cyber attacks and protect critical data. He was a hardworking software engineer and an expert in cyber security. His reputation grew by leaps and bounds as he was not only a person of integrity but also did his work with utmost honesty and sincerity. The business started growing day by day.

He was delighted when he was offered a big project by the Ministry of Defence. While working on the project, he found that the volume of work made it impractical for him to handle all the work by himself. He decided to expand the team. The company maintained a close liaison with a local engineering college. During a campus placement, Ishan and Vrinda were appointed to work for the new project.

He found the new employees capable, enthusiastic and trustworthy. Aman Chadha was thus, able to focus on objectives and with the help of Ishan and Vrinda, the project was completed on time. Not only this Aman Chadha was also able to extend his area of operations. On the other hand Ishan and Vrinda also got opportunities to develop and exercise initiative.

(i) Identify and briefly explain the concept used by Aman Chadha in the above case which helped him in focusing on objectives.

(ii) Also, state any four points of importance of the concept identified in (i) above.

24. Explain briefly any four factors which affect the choice of capital structure of a company.

25. Mediquip Ltd. is a company dealing in distribution of medical equipments. The company recently imported 15000 units of sugar testing machines to test the sugar levels without taking blood samples. For deciding the marketing strategy, the Chief Executive Officer of the company called a meeting of the marketing heads of different zones.

In the meeting, Sandeep, the North Zone Marketing Head, suggested that since the machines were sophisticated they need to visit hospitals personally, to explain its working to the hospital staff who would be using the machines. He also suggested that additional trained people may be recruited for the same.

Himanshu, another Zonal Head, added that since lot of money had been spent on the import of the machines, the company was short of funds to pay to the additional staff as suggested by Sandeep.

Rahul, a newly appointed Zonal Head of South Zone suggested that since the size of the order is not large, a detailed study of the factors determining the choice of channels of distribution is required before making the right choice.

(a) Identify the factors influencing the choice of channels of distribution which were discussed in the meeting.

(b) Also, explain briefly the other consideration to be taken care of in each factor identified in part (a).
