Hazrat.
Gold may be shaped into rings and bangles.

I told my friends that they had given me so generously of their time, I thought it would be too much for them to wait the whole night and suggested they must spare themselves the trouble. But nobody left until it was dinner time.... Then they said they were leaving and that I must have a little rest before emplaning. I got up at about 1.45 a.m. and, when I opened the door, I saw that all of them were still there.... They all accompanied me to the plane, and, before parting, presented me with a small basket of grapes. I had no words to express my gratitude for the overwhelming affection with which I was treated and the happiness this stopover had given me.
