17. Read the passage given below carefully and answer the following questions: Things changed after independence and partition. Our leaders felt that carving out states on the basis of language might lead to disruption and disintegration. It was also felt that this would draw attention away from other social and economic challenges that the country faced. Therefore, the central leadership decided to postpone matters..... (i) Highlight any one major change that took place in India due to independence and partition. (ii) Mention two more reasons other than the ones mentioned in the passage, which were responsible for the postponement of carving out states. (iii) Why was this postponement challenged by some local people and where? Give any one example.

OR

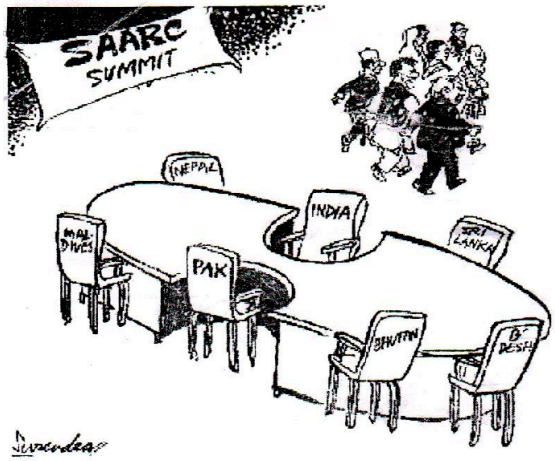

17. Read the passage given below carefully and answer the following questions: Most parts of the country voted in January 1952. It took six months for the campaigning, polling and counting to be completed. Elections were competitive — there were on an average more than four candidates for each seat. The level of participation was encouraging — more than half the eligible voters turned out to vote on the day of elections. When the results were declared, these were accepted as fair even by the losers. This experiment of Universal Adult Franchise proved the critics wrong. (i) What is meant by Universal Adult Franchise?
