

# CBSE Class 12 Accountancy 2024 - Set 67-2-2

## Question Paper

Conducted by the Central Board of Secondary Education (CBSE)

Time Allowed: 3 Hours

Maximum Marks: 80

### General Instructions

- (i) This question paper contains **34 questions**, divided into Part A and Part B.
- (ii) Part A is compulsory for all candidates.
- (iii) Part B has two options: **Option I - Analysis of Financial Statements** and **Option II - Computerised Accounting**. Attempt only one option.
- (iv) Questions 1 to 16 and 27 to 30 carry 1 mark each.
- (v) Questions 17 to 20, 31 and 32 carry 3 marks each.
- (vi) Questions 21, 22 and 33 carry 4 marks each.
- (vii) Questions 23 to 26 and 34 carry 6 marks each.
- (viii) Attempt one alternative where an internal choice is provided. Write all parts of an answer at one place.

**1. Assertion (A) :** In a partnership firm, at the time of admission, the new partner brings in an agreed amount of capital either in cash or in kind.

**Reason (R) :** In a partnership firm, at the time of admission, the new partner acquires the right to share the assets and the profits of the partnership firm.

Choose the correct option from the following :

- |                                                                                                               |                                                                                                                           |
|---------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| (A) Both Assertion (A) and Reason (R) are correct and Reason (R) is the correct explanation of Assertion (A). | (B) Both Assertion (A) and Reason (R) are correct, but Reason (R) is <i>not</i> the correct explanation of Assertion (A). |
| (C) Assertion (A) is incorrect, but Reason (R) is correct.                                                    | (D) Assertion (A) is correct, but Reason (R) is incorrect.                                                                |

**2.** Misha Ltd. issued 6,000, 8% Debentures of Rs. 100 each at Rs. 96 per debenture. 8% Debentures Account will be credited by :

- |                  |                |
|------------------|----------------|
| (A) Rs. 5,76,000 | (B) Rs. 24,000 |
| (C) Rs. 6,00,000 | (D) Rs. 60,000 |

- (ii) Premier Ltd. forfeited 3,000 shares of Rs. 10 each on which the first call of Rs. 3 per share was not received and the second and final call of Rs. 2 per share was not yet called. Out of these, 2,000 shares were reissued to Gita at Rs. 8 paid up for Rs. 12 per share.

OR

**25(b).** Zee Ltd. invited applications for issuing 40,000 shares of Rs. 10 each at a premium of Rs. 2 per share. The amount was payable as follows :

- On Application - Rs. 4 per share
- On Allotment - Rs. 5 per share (including premium)
- On First call - Rs. 2 per share
- On Second and Final call - Balance

Applications were received for 60,000 shares. Applications for 12,000 shares were rejected and money returned to the applicants.

The shares were allotted on pro-rata basis to the applicants of 48,000 shares. The excess money received on application was adjusted towards sums due on allotment.

All shareholders paid the allotment money except one shareholder who had applied for 1,200 shares. His shares were forfeited immediately after allotment. First call was made thereafter and all the money due was received. The second and final call was not yet made.

Pass necessary journal entries for the above transactions in the books of Zee Ltd.

(ii) Interest paid on 10% Debentures amounted to Rs. 8,500.

## Part B - Option II

**27(i).** From the following, identify a 'Data label' as a chart element :

- |                                                            |                                                          |
|------------------------------------------------------------|----------------------------------------------------------|
| (A) Details and positions a legend on the chart.           | (B) Indicates the individual value plotted on the chart. |
| (C) Details the data value and categories below the chart. | (D) Is a descriptive text for the chart.                 |

OR

**27(ii).** How many logical values can be entered into a logical function ?

- |         |         |
|---------|---------|
| (A) 525 | (B) 552 |
| (C) 255 | (D) 15  |

**28.** The process of comparing input data with some unknown data is called :

- |                     |                 |
|---------------------|-----------------|
| (A) Data storage    | (B) Data entry  |
| (C) Data validation | (D) Data filter |

**29(i).** 'Sales and Accounts Receivable Sub-system' of Accounting Information System deals with which of the following ?

- |                                            |                                                                |
|--------------------------------------------|----------------------------------------------------------------|
| (A) Receipt and payment of cash sub-system | (B) Recording and maintaining the sales ledger and receivables |
| (C) Ascertaining cost of goods produced    | (D) Purchase and payment to creditors                          |

OR

**29(ii).** A Null value is a special value which represents :

- |                            |                           |
|----------------------------|---------------------------|
| (A) Single value data item | (B) Item with many values |
| (C) Absence of data items  | (D) Stored value          |

**30.** 'Data, people \_\_\_\_\_, \_\_\_\_\_ and software are five pillars of a Computerised Accounting System (CAS)'.

Which of the pillars of CAS are missing from the statement ?

- |                             |                              |
|-----------------------------|------------------------------|
| (A) Procedures and Hardware | (B) Printer and CPU          |
| (C) Mouse and Desktop       | (D) Information and Accounts |

**31.** Give the meaning of the terms 'Transaction', 'Data item' and 'Information'.

**32.** Explain the 'Block Codes' and 'Mnemonic Codes' with the help of an example.

**33(a).** What is meant by Accounting Cycle ? List its basic phases.

OR

**33(b).** What is 'data formatting' ? What tools are used to format a given data ?

**34.** Write the steps to create 'If' function using formula tab and dialogue box on a given spreadsheet where the total income less expenses if greater than Rs. 10,000 then 10% savings and if income is less than Rs. 10,000 then 5% savings. Also write the syntax of the result.
